

# ZIG ZIGLAR 1926-2012

Never blame anyone in your life.  
Good people give you happiness.  
Bad people give you experience.  
Worst people give you a lesson.  
Best people give you memories.

## Life Lessons from Zig Ziglar

1. If you can't drive it, you can't achieve it.
2. A goal properly said is halfway reached.
3. If you want to reach a goal, you must take the "back way" in your own mind before you actually arrive at your goal.
4. Expect the best. Prepare for the worst. Capitalize on what comes.
5. Every choice you make has an end result.
6. It's not what you've got that counts; it's what you can do with it.
7. If you don't see yourself as a winner, you won't win.
8. Positive thinking will let you do everything better than negative thinking will.
9. You cannot take away the situations in life, but you can take away the attitude to the those situations.
10. If you turn from defeat, you haven't really lost.
11. Failure is a detour, not a dead-end corner.
12. Remember that failure is only a word with no meaning.
13. People often say "excuse me" doesn't exist, but it does. It's a word that is often used with...

FAILURE IS A DETOUR,  
NOT A DEAD-END  
STREET.

*Zig Ziglar*

Lack of direction, not lack of time,  
is the problem. We all have  
twenty-four hour days.

— Zig Ziglar

Far too many people  
have no idea of  
what they can do  
because all they  
have been told is  
what they can't do.

Katrika

Sterling-Hamilton,2016-03-04 Motivate Yourself to Impress Have you ever felt lost about what to say on a job interview Have you thought you knew what to say but had a nervous breakdown during the interview process Studies show that one out of two individuals on job interviews made poor mistakes that cost them the position Another 19 percent of applicants felt they slipped up when writing their resumes and cover letters Look no further If you are one of the millions of individuals that struggle with interviewing skills this book is for you How would you like to know the secrets to getting hired the first time on a job interview This volume is packed with real world examples from a range of clinical settings and sample interactions to help you land your dream career This book teaches you the following How to sharpen your interviewing skills How to write strong resumes and cover letters How to improve your communication skill productivity by 500 percent with how and what to say at your next job interview How to answer those tough interview questions If you are ready to learn and dominate your next job interview this book is a must Let me be your guide to you hearing the two words you want to hear from your next job interview You're hired **"F"-It-Less** Shaun Rawls,2021-05-04 In F It Less he offers a whole new lexicon of F words more

powerful than the one we all already know By employing each thoughtfully and practically in your life you can begin to craft the existence you've always dreamed of During his own transformation words such as fragmented frustrated fractured and failed helped him identify where he was in the moment and to earnestly assess where he'd gone wrong in the past In time he enjoyed days that were fine or even fantastic Prioritizing words such as float family faith fun and freedom reminded him of his destination while words such as find forgive forget fix and foxhole helped him to get there faster What he discovered is that these F words can draw us back into alignment with our purpose and goals enabling us to live a more intentional and rewarding life the life of our dreams What does it take to say F it and really mean it To walk away from the circumstances that have you stuck in neutral or worse headed in the wrong direction To reroute your life along a smoother path toward success To live an F It Less life Have you ever just thrown your hands in the air and said F It Been tempted to give in to

someone or something you've been resisting Or worse found yourself backed into changes circumstances or even a life you didn't ask for If so you are not alone But thankfully there is now a powerful way to never have to say F It again It begins with reframing the f word and ultimately leads to reframing your life It's a method designed to help you choose the life you want to live rather than blindly accepting the one you've got
