*Moto ,1998      Beyond the Enclave* Godfrey Kanyenze,Timothy Kondo,2011-07-26 *Beyond the Enclave* sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwes economy through three main phases 1980 90 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991 96 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007 2008 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development *Beyond the Enclave* argues for a new approach to development in Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development

*The Routledge Handbook of Disability in Southern Africa* Tsitsi Chataika,2018-07-27 This comprehensive ground breaking southern African centred collection spans the breadth of disability research and practice Reputable and emerging scholars together with disability advocates adopt a critical and interdisciplinary stance to prove challenge and shift commonly held social understanding of disability in traditional discourses frontiers and practices in prominent areas such as inter national development disability studies education culture health religion gender sports tourism ICT theatre media housing and legislation This handbook provides a body of interdisciplinary analyses suitable for the development of disability studies in southern Africa Through drawing upon and introducing resources from several disciplines theoretical perspectives and personal narratives from disability activists it reflects on disability and sustainable development in southern Africa It also addresses a clear need to bring together interdisciplinary perspectives and narratives on disability and sustainable development in ways that do not undermine disability politics advanced by disabled people across the world The handbook further acknowledges and builds upon the huge body of literature that understands the social cultural educational psychological economic historical and political facets of the exclusion of disabled people The handbook covers the following broad themes Disability inclusion ICT and sustainable development Access to education from early childhood development up

to higher education Disability employment entrepreneurship and community based rehabilitation Religion gender and parenthood Tourism sports and accessibility Compelling narratives from disability activists on societal attitudes toward disability media advocacy accessible housing and social exclusion Thus this much awaited handbook provides students academics practitioners development partners policy makers and activists with an authoritative framework for critical thinking and debates that inform policy and practice in incomparable ways with the view to promoting inclusive and sustainable development
