Superintendent of Documents,1991 **A Quarter Century of Value Inquiry** Richard T. Hull,2021-11-01 This volume contains all of the presidential addresses given before the American Society for Value Inquiry since its first meeting in 1970 Contributions are by Richard Brandt Virgil Aldrich John W Davis the late Robert S Hartman James B Wilbur the late William H Werkmeister Robert E Carter the late William T Blackstone Gene James Eva Haul Cadwallader Richard T Hull Norman Bowie Stephen White Burton Leiser Abraham Edel Sidney Axinn Robert Ginsberg Patricia Werhane Lisa M Newton Thomas Magnell Sander Lee John M Abbarno Ruth Miller Lucier and Tom Regan Autobiographical sketches by all of the living contributors and one recently deceased biographical statements of the remainder together with photographic portraits of all the contributors make this volume a unique record of value inquiry during the past quarter century indicates previously unpublished or unpublished in the present form indicates substantial new material has been added The addresses cover diverse topics from broad general ones to value inquiry into literature bioethics and public policy to philosophy of mind to critical studies of other philosophers work defenses of philosophy and of applied ethics individual role and cultural relativism of values The American Society for Value Inquiry is nearing its 25th anniversary Its leadership is elected annually often with a vice president becoming president elect then president then past president a structure that serves to insure a measure of continuity Its members are drawn to the society not by a particularly credo or ideology or philosophical position but by a common interest in questions of value ranging from abstract meta value inquiry to disciplinary and trans disciplinary value inquiry For those who share this range of passions the volume will preserve collect organize and in a number of cases recover material in danger of being lost to them The Presidential Address

is a unique genre resembling in some ways a sermon Indeed preparing a presidential address before a philosophical society is often an exercise in developing an exhortation to members to take up a neglected topic to embrace as important a particular viewpoint it may as well be a cautionary to avoid a particular error It is often a dramatic moment as a last act of the presidency having observed closely the trends and winds blowing through the discipline the speaker is afforded the opportunity to hold forth on a topic at once intensely personal and believed to be of wide interest While some societies publish presidential addresses in newsletters or informal proceedings and occasionally in professional bulletins or journals rarely have a substantial bloc of a society s presidential addresses been collected and published under one cover Too often the presidential address is delivered discussed by those present perhaps summarized in a paragraph in a newsletter to members and filed as a fond memory of a moment of honor in the papers of the author sometimes to be forgotten lost discarded or otherwise removed from availability to scholars of the history of philosophy This volume inaugurates a series aiming at preserving presidential and other major addresses before philosophical societies It seeks to be a historical record not only of the address but also of the reflections and recollections of the author It seeks to preserve as a part of the historical record a photograph of the author And with the personal character of an autobiographical statement it seeks to humanize and render lively and real the professi **Diabetes Literature Index** ,1975 *Boating* ,2005-05

Evidence-Based Surgery Achilles Thoma,Sheila Sprague,Sophocles H. Voineskos,Charles H. Goldsmith,2019-03-25 The purpose of this book specifically is to teach surgeons academic or community surgical fellows and surgical residents regardless of the surgical specialty the skills to appraise what they read in the surgical literature Surgeons need to be able to understand what they read before applying the conclusions of a surgical article to their practice As most surgeons do not have the extra training in health research methodology understanding how the research was done how to interpret the results and finally deciding to apply them to the patient level is indeed a difficult task Chapters explain the methodological issues pertaining to the various study designs reported in the surgical literature Most chapters begin with a clinical scenario with uncertain course of action with which most surgeons are struggling Readers are taught how to search the literature for the best evidence that will answer the surgical problem under discussion An identified article that seems relevant to the problem you are investigating can be appraised by addressing 3 key questions 1 Is the study I am reading valid 2 What are the results of this study 3 Can I apply these results to my patients While the primary goal of Evidence Based Surgery is to teach surgeons how to appraise the surgical literature an added benefit is that the concepts explained here may help research minded surgeons produce higher quality research **MotorBoating** ,1989-02 *Karch's Drug Abuse Handbook* Steven B.
