A Tiler's Afternoon Lars Gustafsson, 1993

In his newest novel *A Tiler's Afternoon* Lars Gustafsson invites us to share a day's work with Torsten Bergman an aging semi retired tile layer On this particular day Torsten arrives at an empty suburban villa partially renovated and left unfinished A master craftsman he knows what to do and goes about his business all the while reminiscing over his past considering what may be left of his future daydreaming about the mysterious Sophie K the absent occupant of the villa's upstairs flat No one checks on the work With the close of the day comes Torsten's growing unease over hours spent on perhaps futile labor But at that moment there was a loud knocking at the door no more of a pounding than a knocking It

sounded as if by some strange coincidence the whole world had come to life again and was trying to get in Like Samuel Beckett Lars Gustafsson turns the plainest of circumstances into poignant universals There are yet roads to travel after we say we cannot go on Chilton's CCJ. ,1987 **Automotive News** ,1973-07 **Thomas Register of American Manufacturers and Thomas Register Catalog File** ,1996 Vols for 1970 71 includes manufacturers catalogs European Plastics News ,1986 Popular Mechanics ,1977-10 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle
