Europe Dorling Kindersley,2010-02-15 DK Eyewitness Europe travel guide in this new ebook format will lead you straight to the best attractions this diverse continent has on offer Packed with photographs illustrations and detailed maps discover Europe from the majestic peaks of the Alps to the turquoise waters of the Mediterranean The guide provides all the insider tips every visitor needs from how best to explore the luscious green landscape of Ireland to lazing on a beach in Greece with comprehensive listings of the best hotels resorts restaurants and nightlife in each region for all budgets You ll find 3D cutaways and floorplans of many of the must see sites plus street by street maps of some of the best cities Europe has to offer DK Eyewitness Europe explores the culture history architecture and art of the continent not forgetting the best of Europe s gardens beaches cathedrals castles and shopping With up to date information on getting around by train car walking in cities and all the sights and resorts listed town by town DK Eyewitness Europe is indispensable Don t miss a thing on your holiday with the DK Eyewitness Europe *Yankee Magazine's Travel Guide to New England* ,1986 Propaganda and Nation Building Kevin Hora,2017-04-28 This book examines the origins of Ireland in its first independent incarnation the Irish Free State 1922 1937 It explores how contemporary public relations and propaganda techniques were used to construct an identity for this new state a state which after enduring seven years of insurrection and civil war became one of the most stable democracies in Europe This stability the book argues was constructed not solely through policies enacted by governments but through the construction of a Gaelic Catholic and Celtic national identity By shifting the perspective to how nation building was communicated it weaves an interdisciplinary narrative that initiates a new understanding of nation building providing insights of increasing relevance in current world events Avoiding a simplistic cause and effect history of public relations the book examines the uses and effects of early public relations from a political and societal perspective and suggests that while governments were only modestly successful in their varied propaganda efforts cumulatively they

facilitated a transition from violence to peace This will be of interest to researchers and advanced students with an interest in public relations propaganda studies nation building and Irish studies
