How involved was the CIA with Lee Harvey Oswald Why was Oswald s file tampered with before the assassination of John Kennedy And why were significant documents from it removed afterward Finally we have answers to these questions answers not from theories but from the primary sources themselves John Newman has interviewed dozens of high placed officials who

have never before spoken candidly on these sensitive issues He has thoroughly examined the vast body of new material forced into release by the JFK Records Act of 1992 Oswald and the CIA is a devastating report based on indisputable evidence Written by a historian who spent more than twenty years with the U S intelligence community it is an insider s account of the secret record Bit by bit document by document the reader watches Oswald s file build as it was observed through the eyes of the intelligence officers who actually handled those files The Oswald paper trail inside the CIA is a gripping journey through the darkest corners of the Agency s Clandestine Services *NROTC Office Procedures Manual* United States.
