1.

Man: Well, I found the holiday of my dreams!

Woman: Oh no, not another one of your crazy trips.

Man: This one isn't crazy, it's educational. You can go with the The Great Canadian Adventure Company in a small research boat underwater to study the wreckage of the Titanic up close and personally!

Woman: Wow, that sounds exciting! You should go for it then.

Man: There's only one problem...

Woman: What's that?

Man: It costs \$40,000 to participate!

2.

Woman: Are you excited about flying to Australia?

Man: Of course, I've never been on a plane before.

Woman: Are you scared?

Man: Not at all, I'm really looking forward to it.

Woman: It'll be a long flight to Sydney. That will be a bit boring. Do you have any stops?

Man: Yes we stop in Dubai for a few hours.

Woman: Nice. You can do some shopping in the airport while you're waiting.

3.

Man: That's right, I need to change the date of the ticket. I need to be home earlier than the 23th. Is it possible to return on the 23rd? (pa use) Hmm... that's too bad. I suppose I could do the 20th, if I can change the arrival date to the 15th. (pa use) Really? Great, as long as I'm there five days, it doesn't really matter when I get there or leave. I still get the window seat, right?

4.

Man: I used the finger scanner at the supermarket the other day, it's really cool.

Woman: I read about those. They've been around for a while now. I still don't like the idea of a machine scanning your fingerprint. It's like someone is following your every move.

Man: But it's so convenient! It knows who you are, and takes the money right from your bank account. You don't need to carry money or anything with you ever again!

Woman: But isn't it dangerous?

Man: Of course not. It's easier for someone to steal your credit card than your fingerprint.
