Kapeluck,Laurence W. Moreland,Robert P. Steed,2010 The scholars included in *A Paler Shade of Red* cover the 2008 presidential election with detailed state by state analyses of how the presidential election from the nomination struggle through the casting of votes in November played out in the South The book also includes examinations of important elections other than for president and in addition to the single state perspectives there are three chapters that look at the region as a whole Contributors are Scott E Buchanan John A Clark Patrick R Cotter Charles Bullock III Rogert E Hogan and Eunice H McCarney David A Breaux and Stephen D Shaffer Cole Blease Graham Jay Barth Janine A Parry and Todd G Shields Jonathan Knuckey Charles Prysby Ronald Keith Gaddie Brian Arbour and Mark McKenzie and John J McGlennon all collected here to provide powerful insight into southern politics today *Foundations of Information Literacy* Natalie Greene Taylor,Paul T. Jaeger,2021-11-15 It s not hyperbole to conclude that in today s world information literacy is essential for survival and success and also that if left unchecked the social consequences of widespread misinformation and information illiteracy will only continue to grow more dire Thus its study must be at the core of every education But while many books have been written on information literacy this text is the first to examine information literacy from a cross national cross cultural and cross institutional perspective From this book readers will learn about information literacy in a wide variety of contexts including academic and school libraries public libraries special libraries and archives through research and literature that has previously been siloed in specialized publications come to understand why information literacy is not just an issue of information and technology but also a broader community and societal issue get an historical overview of advertising propaganda disinformation misinformation and illiteracy gain knowledge of both applied strategies for working with individuals and for addressing the issues in community contexts find methods for combating urgent societal ills caused and exacerbated by misinformation and get tools and techniques for advocacy activism and self reflection throughout one s career *Congressional Quarterly's Guide to U.S. Elections* Congressional Quarterly, inc,1994 This unique single volume reference is the most comprehensive historical source for national state and congressional district voting returns It covers the 1988 and 1992 presidential elections with summaries of nominating conventions electoral college votes and popular primary and general elections returns **Ohio Documents** ,1999 *CQ's Guide to Current American Government, Fall 1987* Congressional Quarterly, inc,1987 *Communication in the Presidential Primaries* Kathleen E.
