**Malice** Liam Llewellyn, 2018-06-04 Marvin Heemeyer was a blue collar man whose greatest joy in life was to see his muffler repair shop prosper When he felt the government of Granby Colorado was conspiring against him and the success of his business he decided to take action He did not take his vengeance by walking into the town hall with a gun Nor did he build bombs and deliver them to local politicians No Marvin was more ingenious than that He put his welding skills to work In so doing Marvin Heemeyer made history as one of the most original complex controversial and misunderstood criminals in history Malice is the story of his life leading up to his one of a kind crime Exhaustively researched author Liam Llewellyn portrays the story in its entirety then poses an alternative interpretation Malice challenges the reader to ask such questions as Do governments conspire against individuals In the wake of enormous tragedy do governments tell the truth What is a criminal Do two wrongs make a right

*Interface Design & Document Design*, 2021-08-04 User interfaces and supporting documentation are both supposed to help people when using a complex device But often these forms of support seem to come from different worlds User interface designers document designers and researchers in both interface and document design share many goals but are also separated by many barriers In this book user interface designers and documents designers from Microsoft Corporation and from Apple Computer plus researchers from several universities try to bridge the gap between interface design and document design They discuss opportunities for closer cooperation and for more integrated and effective help for users of modern technology
