Retaining Your Best College Professors Jeffrey L. Buller, 2021-10-15 Faculty recruitment is a major expense for colleges and universities and schools devote a considerable amount of their resources to the hiring process But many of these institutions fail to devote the same attention to retaining college professors We've learned through many studies that it's far less expensive to retain a student you have than to recruit a new one Why is this lesson not also applied to the college faculty This book addresses why higher education currently has a faculty retention problem and then explores the strategies needed to address that problem But now all faculty members are alike Minority faculty members have their own retention challenges as do highly competitive researchers part time and temporary faculty members who excel at teaching and other key groups The best ways to retain the junior faculty are not necessarily the best ways to retain mid career and senior faculty By examining best practices currently in place in higher education and then combining those insights with research conducted in the corporate world the book encourages colleges and universities to develop a culture of retention that applies to students and faculty members alike

She's the Boss Rochelle Schweizer, 2010-09-23 Why Is Nancy Pelosi the Most Dangerous Woman in America Most people see Pelosi exactly the way she wants them to a cultured San Franciscan politician from an esteemed family But underneath the Chanel suit and Mikimoto pearls is a true political boss as in Tweed Don't be fooled by her image as a caring grandmotherly public servant Nancy Pelosi is all business She's the Boss charts Pelosi's carefully orchestrated rise to power as a uniquely American ruling class diva who is not so subtly replacing by the people for the people with have your people call my people From her father a congressman and then mayor of Baltimore whose political machine was tainted by scandal Pelosi learned about patronage ruthlessness and the credo of the party boss never admit to anything never apologize and attack when challenged As Speaker of the House Pelosi once pounded her gavel so hard it left a dent in the lectern She frightens even those who agree with her on almost everything She punishes those who stand in her way And her hypocrisy knows no bounds While Pelosi spends millions in taxpayers dollars to green up the capital and expects Americans to pay for their carbon footprints she demands a bigger jet for her trips across the globe as well as military G5s for holiday weekends She claims to act for the benefit of the American people yet enriches her family's portfolio through pet legislation and personal financial dealings She tried to enact taxpayer funding for abortions defying the teachings of the Catholic Church of which she is a member With promises of utopia she drives massive legislation deals through Congress by stiff arm twisting knowing she and her allies will profit at the expense of the electorate It will be clear after reading She's the

Bully to Girly: A Feminization Fiction and Transgender Romance Lilly Lustwood, 2011-01-01 I know that what I did back in grade school was wrong but I don't think I should wear a dress and meet his parents to pay for my past mistakes All Alex Anderson wanted was to prove to The New York Affairs that he could write more than sports trivia However his supervisor Connie Talbot didn't think he was talented enough Contemplating a career move Warner Wang enters the company The same Warner who he relentlessly made fun of from the fourth to seventh grade Warner was his only resolve but his aid didn't come without certain feminine caveats Note This story contains straight transgender love interracial feminization crossdressing sissy femboys transgender transformation transgender romance and first time with a transgender woman tropes Some real places and people were referenced but the story is a work of fiction The cover image is from Brightlucky Press *Don't Talk to the Dunnyman* James Palmer, 2018-08-31 All his life John has been moving around His fathers job as a surveyor takes them all over Australia but his most recent place of employment is in Queensland The journey was hard what with all the flooding but they eventually make it While unloading the car John hears a voice and makes an unexpected friend Ceddy is a ten year old Aboriginal boy Although their skin tones don't match John and Ceddy become friends Together they face many challenges as they go up against dangers of the Outback and even worse small town racial prejudices Despite difficulties they have adventures make other friends and learn slowly how to become men Author James

Palmer who like John spent his youth moving from place to place tells this story with humour and heart. He draws a picture of the salty characters that were all around his own childhood and gives them life. John's story is one of tragedy, philosophy, folly and bigotry, all differing aspects coming together to make a rich page-turner. **Hopeful Heart** Johanna Jenkins, 2020-04-02

At forty Amanda Anderson is single by choice and works for a large hotel resort chain in New York. Four and a half weeks before Christmas she finds herself transferred to the Green Mountain Resort in Stowe, Vermont, to replace the personal assistant to the manager Robert Thomas. Meeting her charming new boss impacts her life in a way she could never have imagined. His hospitality and kindness appears to be more than just friendship or a business relationship. This is a standalone short story with HEA ending. As she finds herself drawn to him in a way that brings out emotions of hope and a desire for love, she wonders if she is imagining that he is interested in her. When Alicia Bensen arrives in Stowe, Amanda wonders if it is Alicia that has stolen Robert's heart. After an unforgettable weekend skiing at Mount Mansfield, Amanda returns to New York. But the memory of her time with Robert in Stowe haunts her constantly. Was she confused and mistaken about Robert's feelings for her? And was it Alicia that Robert Thomas loved all along? **Kingdom Come** Larry Burkett, Davis Bunn, 2016-04-26

Central North Carolina hasn't seen much change in over 50 years but suddenly people who have been there for generations are leaving the small farming settlements, lock stock and barrel. When massive warehouses surrounded by metal fencing seem to go up overnight, local businesses are bought out and more than 6,000 families establish residence in a community named Kingdom Come. The FBI begins to suspect cult activity. Agent Ben Atkins is sent to investigate and though he does sense something major happening, he is not convinced it is sinister. In fact, as he moves in for a closer look, he begins to wonder if those on the inside of Kingdom Come are working to keep evil out. But time is running short for him to discover the truth as unexpected enemies, law enforcement agencies, media groups and even the church hierarchy threaten the community's existence. *Editor & Publisher*, 1929 The Fourth Estate Management World, 1984
