These working papers demonstrate how to correctly set up solution formats. From one of the hottest author teams in accounting comes a new edition of the highly successful Financial Accounting. This edition retains the traditional procedural coverage of the previous editions along with a practical decision making focus. Anyone who will ever be asked to prepare or use accounting information to make effective decisions will benefit from this best selling text.

Accounting Principles Jerry J. Weygandt, Ph.D., CPA, Jerry J. Weygandt, 2004-07 Edition after edition ACCOUNTING PRINCIPLES consistently rates highest in customer satisfaction. The new Seventh Edition continues to effectively address the issues that both instructors and students find important: student success, student motivation, student problem solving skills, student decision making skills, and technology to assist teaching and learning. In preparing the new Seventh Edition, the authors surveyed the market, talked personally to instructors, and held focus groups with professors and students. They heard again and again that the biggest challenges students continue to face are to become motivated to learn how to study and to manage their tasks. With this input, the authors have fine-tuned and improved one of the most successful Accounting Principles texts ever published. Get a better grade with eGrade Plus.
