What Can I Do To Help:

WHAT CAN I DO TO HELP LAZARUS? Harriet I. Cook, 2024-05-06 Domestic abuse concealed within the fabric of Christian life is often foreign to both leadership and laity alike With a focus on abused wives What Can I Do to Help Lazarus compassionately gives spiritual and practical ways for leaders and fellow believers to better minister to women whose spouse has cruelly torn apart the marriage covenant With sensitivity scripture and wisdom the author also brings needed validation to the targets of purposed evil in the institution God designed to be a woman's sanctuary marital oneness What Can I Do to Help Lazarus was written as a short article for abuse survivors reading a Christian domestic abuse support site Reader comments were extremely positive and with the Lord's inspiration the author expanded the content Yes YES Yeeeeesssss I will be sharing this with many church friends who are absolutely clueless Thank you for articulating this so well Eyes that see and a heart of mercy So rare There is something about how you write that seeps like water through porous soil Perhaps your words speak so clearly because they do not yell I don't think there was a single line that didn't make the tears fall a little harder at each one tears of she gets it What Can I Do to Help Heal the Environmental Crisis? Haydn

Washington, 2019-10-01 The culmination of over three decades of writing by environmental scientist and writer Haydn Washington this book examines the global environmental crisis and its solutions Many of us know that something is wrong with our world that it is wounded At the same time we often don't know why things have gone wrong or what can be done Framing the discussion around three central predicaments the ecological the social and the economic Washington provides background as to why each of these are in crisis and presents steps that individuals can personally take to heal the world Urging the reader to accept the reality of our problems he explores practical solutions for change such as the transition to renewable energy rejection of climate denial and the championing of appropriate technology as well as a readjustment in ethical approaches The book also contains 19 solution boxes by distinguished environmental scholars With a focus on positive personal solutions this book is an essential read for students and scholars of environmental science and environmental philosophy and for all those keen to heal the world and contribute towards a sustainable future **What Can I Do to Help**
