Waking to God's Dream Bishop Dick Wills, 2010-10-01 The demands of congregational ministry are many the rewards sometimes seem few and burnout becomes a real possibility Small wonder then that churches become stuck in a state of arrested spiritual development When the pastor is functioning in a survival or maintenance mode the church's vitality is often the first casualty Yet Wills's own experience demonstrates that churches can turn around the wind of the Spirit can be felt anew This happens when the congregation is infected by the vision of what God is doing in their midst a vision which the leaders particularly the pastor must bring before them In *Waking to God's Dream* Richard Wills shares the spiritual disciplines and insights which he believes account for the transformation of the congregation he serves from a large church in decline to one that is growing and reaching out to its community in a variety of creative ministries Detailing the steps and initiatives that led to this turnaround Wills demonstrates how personal commitment on the part of the congregation's leaders and ministers have been the key to the work they have accomplished *Guidelines Small Group Ministries*

New Life in the Risen Christ Jonathan A. Powers, 2023-05-26 Baptism is a foundational rite and sacrament of the church Over the centuries the significance of baptism for Christian life and faith has been confirmed by the church but baptism remains a highly controversial topic Numerous disagreements exist between denominations and faith traditions including the various descendants of the original Methodist movement over the doctrine and practice of baptism Who can be baptized Why is baptism done What does the rite mean New Life in the Risen Christ A Wesleyan Theology of Baptism seeks to address confusion over baptism and offer a coherent treatment of the sacrament from a Wesleyan theological perspective Distinguished scholars from around the world are brought together in this volume to examine the writings of John Wesley and offer scholarly reflections on topics related to the sacrament of baptism Their work is an invitation to remember and be thankful for baptism as the sign of divine grace that initiates Christians into a new reality life in the risen Christ

As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way

Beyond Multiculturalism Charles A. Cook, Lorajoy Tira-Dimangondayao, Lauren Umbach, 2024-10-29 The Canadian socio cultural landscape is undergoing constant transformation due to immigration Communities of faith have traditionally embraced this diversity through a stance of hospitality framed by a modern idea of multiculturalism However the modern idea of multiculturalism often falls short of fully integrating newcomers into the family life and leadership of a congregation As diverse cultural expressions of world Christianity continue to blossom throughout Canada both new and established Canadians must explore relational approaches to transcend historical cultural racial and linguistic divides The goal is to foster genuine community and forge deeper covenantal unity allowing the transformative nature of King Jesus to be evident to the world Beyond Multiculturalism advocates for Christians to showcase tangible examples of Jesus Kingdom culture in which humility compassion and self giving love are valued Authored by Canadian scholars and practitioners representing twelve ethnicities and ten denominations the chapters delve into various theological sociological and pragmatic aspects that churches should address These considerations aim to guide churches into deeper conversation enabling them to align with the evolving dynamics of God's work in Canada and worldwide

Doctrine, Spirit, and Discipline Kevin M. Watson, 2024-06-25 The definitive history of the Wesleyan movement in the United States An expansive substantive history of the Wesleyan tradition in the United States Doctrine Spirit and Discipline offers a broad survey of the Methodist movement as it developed and spread throughout America from the colonial era to the present day It also provides an theological appraisal of these developments

in light of John Wesley's foundational vision. Beginning with Wesley himself, Watson describes the distinctiveness of the tradition at the outset. Then, as history unfolds, he identifies the common set of beliefs and practices which have unified a diverse group of people across the centuries, providing them a common identity through a number of divisions and mergers. In the midst of the sweeping changes happening in Methodism and the pan-Wesleyan movement today, Watson shows that the heart of the Wesleyan theological tradition is both more expansive and substantive than any singular denominational identity. A fresh panoramic overview of the history of the Methodist movement. Promises to be a standard textbook on the history of Methodism for years to come. TIMOTHY C. TENNENT, Asbury Theological Seminary

Initial Evidence Gary B. McGee, 2008-01-01 This is a superb collection of articles on the central issue of Pentecostalism: speaking in tongues as the initial evidence for the baptism in the Holy Spirit. The articles, written by both Pentecostals and non-Pentecostals, are historically informative, scholarly, irenic in spirit, ecumenical in treatment, and wide-ranging in interest. Here is an opportunity for both Pentecostals and non-Pentecostals to become better informed about Pentecostalism. While offering a solid defense of traditional Pentecostalism, the book also offers candid assessments that take a different view. This book should become a must for those who want to understand both historic and present-day Pentecostalism. Gordon D. Fee, Professor Emeritus of New Testament, Regent College. The most complete and scholarly analytical treatment of glossolalia as initial evidence of the baptism in the Holy Spirit that has yet appeared. Both the historical and theological sections support and challenge the distinctive Pentecostal teaching on the subject of tongues.

Vinson Synan, Former Chairman, North American Renewal Service Committee, a remarkably diverse collection of essays that thoughtfully probe the distinctive which has come to characterize the Pentecostal Movement, namely speaking in an unknown tongue. Irenic in tone, the volume is a must for scholars, pastors, and lay persons of all theological perspectives who desire to enter into dialogue in this area of debate. D. William Faupel, Professor of the History of Christianity, Wesley Theological Seminary. Initial Evidence, edited by Gary McGee, is a substantive contribution to the study of American Pentecostalism. The

historical overviews in it are of tremendous value particularly for newcomers to Pentecostalism who may lack a historical grounding in the movement Exegetical essays such as that by Donald Johns will challenge readers who are comfortable with current hermeneutical models to rethink the biblical text and it offers great promise for more contributions to Pentecostal exegesis Howard M Ervin Professor Emeritus of Old Testament Graduate School of Theology Oral Roberts University The Practice of Mission in Global Methodism David W. Scott,Darryl W. Stephens,2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission Engaging contemporary issues including migration nationalism climate change postcolonial contexts and the growth of the Methodist church in the Global South this book examines multiple forms of mission including evangelism education health and ministries of compassion A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world This volume will be of interest to researchers studying missiology evangelism global Christianity and Methodism and to students of Methodism and mission
