Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes **English Trade and Adventure to Russia in the Early Modern Era** Maria Salomon Arel, 2019-04-25 In *English Trade and Adventure to Russia in the Early Modern Era* Maria Salomon Arel revisits Anglo Russian trade in first half of the seventeenth century Drawing on largely neglected Russian and English sources she reconstructs the history of the Muscovy Company in a period of expanding opportunities for foreigners in Russia and of tightening links between regional markets across the globe In her strongly revisionist telling the Company successfully rebuilt in the aftermath of the devastating Time of Troubles securing its uniquely privileged position in the Russian market at the hands of a newly installed tsar and Romanov dynasty keen to revive the country's decimated economy through the stimulus of foreign trade Meanwhile on the London end of a trade clearly deemed relevant to commercial and shipping interests increasingly dependent on Russian naval stores and invested in the Russian re-export trades to and from the Mediterranean and Asia the Company restructured its organization and finances with crucial royal support in furtherance

of the public good and early Stuart dynastic honor As Arel documents by the 1630s 40s English trade to Russia was flourishing as seen in the growing number of Muscovy Company men active all along the Moscow Archangel route their substantial commercial infrastructure extensive supply networks among a broad swath of Russian merchants and traders and prominent role in the exploitation of monopoly trades established to fill the tsar s coffers with specie The picture drawn by Arel overturns a traditional narrative on the Russia trade that has relegated the English to the shadows demonstrating the tenacity and continued development of their enterprise at the intersection of English commercial expansion Russian economic growth and advancing globalization processes Taking the narrative even further the book opens up new perspectives and research directions by pointing to an incipient link between the Russian and transatlantic markets while shifting the lens on the Anglo Dutch relationship in the Russia trade away from the time worn dichotomy of cutthroat competition to a more nuanced understanding of mutual cooperation and business association between merchants on the ground even in the face of commercial and territorial competition between nations **The Outlook** Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1897 Weathering Heights Wendy Dalrymple,2023-01-16 As Hurricane Lorraine descends upon Florida s Gulf Coast it s up to rookie small town meteorologist Melody Orlean to get exclusive coverage for her local station However when she discovers that blast from the past Mark Fox is gunning to film at the same spot for his big city news station it s game on When the Cat 3 hurricane is suddenly upgraded to a dangerous Cat 5 Melody and Mark find themselves trapped at the kitschy Mali Kai resort on Fort Myers Beach Through a series of hilarious hijinks and dangerous situations Melody and Mark are forced to work together to make it through the storm Full of comedy danger and a cast of colorful characters this enemies to lovers romantic comedy hits all of the sweet romance notes you re sure to love *Weathering* Christoph F. Gillis, 2015-03-17 Jack Who Perfect Storms Jack Storm is more than a tour bus bang He s a secret to keep at all costs except
one Marissa is a craps dealer and in one quick second she never wants to remember her life turns to crap Her best friend
convinces her the cure for a breakup is a hookup and reluctantly she heeds this advice However Jack what was his name
again is not the average girl s revenge fling Women throw themselves at Jack toss their lingerie on the stage and scream his
name Marissa has no idea of his public identity and while she doesn t initially throw herself at him she does go on to toss
aside her lingerie and ultimately scream his name Five minutes after parting she holds no illusions about seeing him again
but does vow a new outlook on her life and herself Five months later Jack astounds her with an invitation to Los Angeles
Although Jack is now a star in her very non rock star fantasies Marissa is concealing a huge secret that prevents her from
accepting Five years later the secret comes out and despite the conflicting emotions each feels toward the other they must
bridge their two worlds together Jack Who is a one night stand gone awry and a couple who work together years later for a
fix Weathering Jack Storm Falling in love with Jack was easy but there is nothing easy about staying in love with this
arrogant rock star while settling into a new life in Los Angeles The epic story of Jack and Marissa continues Marissa and
Tristan in his life changed his outlook Jack feels needed He welcomes the responsibility of a family He embraces the love and
companionship Quickly he whisks his son and the intriguing woman he had never forgotten to his home in LA To Marissa her
future seems as mysterious as dusk s shimmering shadows beneath the surface of the luxurious guitar shaped pool There is
no doubt this could be her dream house her dream life with the man she loves Not so dreamy is all she is beginning to see
packaged with him The crazy hours of a very active life The garbage behind the glam Mostly a moody and presumptuous rock
star whose public persona is opposite of the sweet celebrity she fell for Snow Storms A Wish on a Rock Star It all begins with
one wrong wish on a star a ROCK STAR Jackal has retired but their fan base lives on Jack and Marissa are still a super couple
who see very little peace in public Ready to live incog they contemplate a move to Dallas roots of the Loren family tree and
home of the family label Christmas is coming and Jack Junior is not the only one with a wish list The Jackal fan site once had
a Holiday tradition of indulging five lucky fans with a Christmas wish This year a fan manages to contact Jack with a very
special wish A wish that unearths a scandal Jack tried to leave in his past When history begins repeating itself he finds that
the past is always a part of the present But with one brightly wrapped present will this particular part of his past forever
change his future To complicate matters this Holiday Season Marissa is hiding more than Christmas presents For starters
her complicated relationship with Jack s sister reaches a new level of craziness Also simmering beneath a Christmas colored
surface is a psycho situation she cannot see coming Jack and Marissa have always had a rocky relationship Yet again they
have to stand strong LA may be hot but that doesn t mean there isn t plenty of snow Silver Strings Series G String Set Jack
