Kiss Across Time Box Two Tracy Cooper-Posey, The next four fabulous stories in the time travel paranormal romance series. New friends and relationships expand time travel for Brody Veris and Taylor. Meet Alexander Rafe and Sydney and share their adventures across the timescape while old enemies and time itself threatens the friends at every turn. *Kiss Across Deserts* Time travel is not for the weak of heart. When a kiss sends Alex and Sydney back to Alex's beloved desert and he realizes that Taylor is not the only one who can time travel, the questions pile up like gunpowder. The flint that strikes the spark is Sydney's past, which is exposed when Rafael reaches through time and uncovers her dangerous secret. *Kiss Across Kingdoms* They must go back in time because history says they already have. A secret cipher inside an ancient seal insists Rafe and Sydney travel back through time to Powys, the most powerful kingdom of old Wales, but when they jump back, they are separated. Rafe finds himself in Powys, scribe to the king. Sydney is in the land of the Lady of Mercia, alone in a time she doesn't know. The two must find a way back to each other across the warring kingdoms while Alex tries desperately to help them from eleven centuries into the future. *Time And Tyra Again* One hundred years ago, a meeting was arranged that would alter the course of history. In 1191, at the Siege of Acre, Alexander Karim helped Brody Gallagher escape death by immolation. When Alex arrives in York, England, one hundred years later for their appointed meeting, he sees instead someone from his human life: Tyra of Norwich, who died two hundred years ago. *Kiss Across Seas* History doesn't always repeat. Sometimes it destroys. To protect everyone she loves from the threats of their greatest enemy, Sydney flings herself back in time to eleventh-century Egypt, where she meets a very human Alexander. Her arrival causes the death of the knight who would have drawn Alex to Jerusalem and destroys a chain of events that ends with Sydney, Rafe, and Alex meeting in the twenty-first century. Time travel has always been an interesting concept, but Cooper Posey takes it to another level because her stories arc over an entire series and over several centuries.
