Quicklet on *West with the Night* by Beryl Markham (CliffNotes-like Summary) Laura Brestovansky, 2012-02-24 ABOUT THE BOOK I ve always been interested in women in history particularly those of the 20th century Somehow though I had never heard of Beryl Markham until I came across her book *West With the Night* about a year or so ago The cover s engaging portrait of Markham looking patrician and quite beautiful in her aviator helmet immediately drew my attention As I began to read the account of her life I was quickly hooked by her fascinating description of life in British East Africa today known as Kenya in the early 1900s Imagine taking off in a two seater plane and narrowly avoiding a zebra My impression was confirmed the more I read Markham was clearly a woman who lived in a completely different world than I do in 21st century America She bred championship racehorses She flew planes into remote parts of Africa And she managed to write about it without a hint of boasting Her writing is simple and honest No less a writer than Ernest Hemingway a friend of Markham s praised the book as bloody wonderful in a letter to Maxwell Perkins as cited on the back cover of the 1983 edition of *West with the Night* Markham s account showed me that life is meant to be lived to the full Taking risks and trying new things is what gives life its savor Telling other s about one s adventures allows them to savor them too MEET THE AUTHOR Laura Brestovansky has more than 20 years of writing editing proofreading experience including blogs e books articles brochures press releases and more Currently she is also the public relations liaison for Caregivers Professional Resources www.cprmich.com whose duties include writing the CPR Airway blog She has written on a number of topics including health care home improvement travel religion and social issues She graduated with honors from Eastern Michigan University majoring in journalism and political science When she s not on the computer whether writing editing or surfing she s spending time with her husband and three children possibly biking or hiking with them or watching a classic movie EXCERPT FROM THE BOOK *West With the Night* is Beryl Markham s memoir of her life in British East Africa Kenya She was a racehorse breeder bush pilot and the first woman to fly across the Atlantic

from east to west The book begins with Markham's review of an old flight logbook which sets the scene for the entire book British East Africa in the 1930s Once setting the scene she recounts her journey to deliver oxygen to a sick minor a job to be done at an uncomfortable hour with sleep in my eyes and a half a grumble on my lips While the flight itself is routine Markham flies with the knowledge that a friend and fellow pilot is missing in the Serengeti **West with the Night** Beryl Markham,1984 Beryl Markham moved to Kenya with her father at the age of four and stayed until her death in 1986 Her incredible autobiography describes the Africa she learnt to love her childhood surrounded by the tribal people her tangles often nearly fatal with its wild animals and her passions for racehorses and aeroplanes Markham achieved notoriety and success as a horse trainer when one of her horses won the most prestigious race in Kenya She turned her hand to aeroplanes with Denys Finch Hatton the lover of Karen Blixen as a teacher and became the first woman in Kenya to receive a commercial pilot's licence Her adventures and courageous career as a bush pilot are recounted in vivid detail here along with the richness and fascination of life in Kenya in the twenties and thirties *Summary of Beryl Markham's West with the Night* Everest Media,2022-04-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I would like to begin at the beginning but there are a hundred places to start and a hundred names I can begin by choosing one of them not because it is first or of any importance in a wildly adventurous sense but because it is turned uppermost in my logbook 2 Nungwe was a town that lay west and south of Nairobi on the southernmost rim of Lake Victoria Nyanza It was barely alive when I went there in 1935 It was a Mecca for gold miners who had begun to dig there 3 Nairobi was a gateway to a new country and it was growing quickly It was a place of shillings and pounds and land sales and trade extraordinary successes and failures Its shops sold whatever you needed to buy 4 Africa is a land full of mysteries wildness and heat It is a photographer's paradise a hunter's Valhalla and an escapist's Utopia It is what you want it to be and it withstands all interpretations It is the last vestige of a dead world or the cradle of a shiny new one *Summary to West with the Night by Beryl Markham (Trivia Edition Collection)* Whiz Bookz,2022-02-16 Get your summary to West with the Night by Beryl Markham to further Help you in your study and appreciation with a Deeper dive into the book that comes with a trivia spin Are you a fan Features You'll Discover Inside 30 multiple choice questions to West with the Night plots characters and author A comprehensive guide to aid in discussion discovery Insightful resource for teachers groups or individuals Keep track of scores with results to determine fan status Share with other book fans and readers for mutual enjoyment Disclaimer This is an unofficial summary analysis as a reader resource not meant to replace the original book If not already we encourage readers to purchase the original first **Seductress** Betsy Prioleau,2004-10-26 In this road map to restoring feminine sexual power Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses These are the women who ravished the world from such classic figures as Cleopatra and Mae West to such lesser known women as the infamous Violet Gordon Woodhouse who lived in a ménage with four men Smarts imagination courage and killer charm
