Thank You. I'm Sorry. Tell Me More. Rod Wilson, 2022-01-11 Practice the three simple phrases that heal relationships strengthen connection and change the world We all believe that saying Thank you I'm sorry and Tell me more will help us become better people friends partners employees neighbors and global citizens And yet having been brought up on rugged individualism we often slip into self centeredness and a corresponding sense of entitlement We have lost the ability to speak with gentleness toward one another We have replaced kind words that connect us to one another with ones that divide isolate and hurt Everywhere we turn there is deep conflict In this simple yet profound book clinical psychologist Rod Wilson introduces us to the sacredness of these familiar but forgotten sayings What impact do these sayings have on our relationships When we say Thank you we acknowledge the way others impact us When we say I'm sorry we acknowledge the way we impact others When we say Tell me more we acknowledge the way we impact each other Try it Read this book and be encouraged and equipped to deliver kindness in your speech As you engage with these three phrases more thoughtfully and speak them more frequently you will enjoy a life full of deeper friendships and joy
