Song of Susannah and The Dark Tower VII The Dark Tower The perfect keepsake for Stephen King fans The Dark Tower 8 Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from the reigning King of American popular literature Los Angeles Daily News **Men, Women and Ghosts** Amy Lowell,1916 Dark World Wayne Kyle Spitzer,2018-11-05 It was the first night of the Sacrificium a night of sacrifice and death a night when the black coins tendered in the Lottery would be tendered back It was also the Hora Mille Semitis the Hour of a Thousand paths for that is the day the Sacrificium had fallen on this year the hour when best friends might become enemies when lovers of longstanding might betray oaths the hour in which anything and everything was possible And the alignment was felt from the upper echelons of the capitol to the poorest quarters of the downriver provinces For the message of Valdus rebellion had spread whether it was a tract nailed to a door before quickly being torn down or a blast in the night that caused the power to fail in entire regions It was a night for dreaming and for huddled collusions for the breeze to course through rustling leaves for long dead hearts to awaken and start pumping blood The Sacrificium had once more come to Ursathrax but so had the Hour of a Thousand Paths and Valdus Revolution and something else something elusive but impossible to ignore nebulous but as real as the River Dire which seemed to have stolen into the world on the wind itself **Beyond the Black Curtain** Wayne Kyle Spitzer,2022-06-09 After breaking their sworn oaths in a fit of forbidden passion a sacrificial bride Shekalane and her fearsome escort the ferryman Dravidian find themselves alone and on the run in the subterranean river world of Ursathrax From Beyond the Black Curtain Permission would not have been granted nor did he ask instead he went straight to the detention block after his meeting with the prefect and located Shekalane s cell It was easy to do for it was the only one with a light beneath its door Indeed it was the only one in the entire cellblock that was occupied Shekalane he whispered crouching and braced the meal flap open with his finger It s Dravidian At last she said sounding distant and utterly confused I cannot see you Opening the flap triggers a light It it hurts my eyes and burns the skin of my face And yet it is cold the cell I mean So cold He withdrew his finger allowing the flap to close and thought he heard her teeth chatter The dragger s great paddle wheel churned Why have you come to me Dravidian of the ferrymen You are about to be interviewed by the prefect himself Asmodeus During this interview you will be asked about your involvement with Valdus and his revolution Answer him truthfully names dates tactical information he has assured me personally that you will be spared if you do so Do you understand A silence followed Spared That s a curious choice of words I trust by this you mean I will not be punished or killed but that I will still be delivered into sexual slavery Shekalane I ve had a great amount of time to think Dravidian It s it s in our nature we women that when faced with a closed door yet another door opens in our minds And I ve decided that Valdus has been right all along the Lottery must end She paused as the great ship rumbled all around them And I ve decided something else which is that his methods are justified after all Indeed what is death physical death I mean when compared to imprisonment and the suffocation of one s soul The former at least provides an escape but the latter No Dravidian I will not

cooperate Not even if I am tortured unto death You don't mean that Shekalane What know you of what I mean and what I do not You who mistook a ploy and a successful one for an expression of love for Valdus You who in turn used that to retreat into your former self and turn your back on all that we have learned and experienced No I tell you plainly that I will not submit and you your order will be forced to destroy me Now please go away For although I love you I cannot abide by what you have done At last Dravidian lowered his head Nor can I abide by what you have done Shekalane For by aiding and abetting Valdus if only in bringing him comfort you did also turn your back on all his crimes and victims And you would aid him still He stood and swung his mask around on its strap prepared to put it on It would seem we are at an impasse at last Whatever our fates then He fingered the fade's velvety lining Know that you too are loved Then he whirled to leave and whirling came face to face with a brownie in a dung colored goblin mask and holding a tray who quickly looked away and just as quickly looked back as though recognizing him as someone personally significant to him Dravidian stared at him for perhaps two breaths taken aback by the directness of his gaze and sensing too something well he could not define it and quickly placed his mask to his face and depressed the pad at his temple sealing it with a hiss **Ainsworth's Magazine** William Harrison
