James Styan

Units Forms For Netcare 2015:

Heartbreaker James Styan, 2017-12-05 In this new biography of Chris Barnard we not only learn about the life of South Africa's most famous surgeon from his Beaufort West childhood through his studies locally and abroad to his prominent marriages and divorces but James Styan also examines the impact of the historic heart transplant on Barnard's personal life and South African society at large where apartheid legislation often made the difficulties of medicine even more convoluted. The role of black medical staff like Hamilton Naki is explored as is the intense rivalry that arose between other famous heart surgeons and Barnard. How did Barnard manage to beat them all in this race of life and death? How much did his famous charisma have to do with it all? And in the light of his later years, his subsequent successes and considerable failures, what is Barnard's legacy today? Styan covers it all in this fascinating new account of a real heartbreaker.

O'Grady, 2015-04-24 Featuring analysis of cutting edge healthcare issues and first person stories, *Policy Politics in Nursing and Health Care* 7th Edition is the leader in helping students develop skills in influencing policy in today's changing health care environment. Approximately 150 expert contributors present a wide range of topics in this classic text, providing a more complete background than can be found in any other policy textbook on the market. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. Winner of several American Journal of Nursing Book of the Year awards, NEW! Nine new chapters ensure you have the most up-to-date information on key topics such as ethical dimensions of policy and politics, patient engagement, public health, women's reproductive health, emergency preparedness, new health insurance exchanges, and much more. NEW! The latest information and perspectives are provided by nursing leaders who influenced health care reform, including the Affordable Care Act. NEW! Emphasis on evidence-based policy throughout the text. NEW! A list of web links is included in most chapters for further study.
