University Mixer Erotic Feast English Edition:

The Poetics of Eros in Ancient Greece Claude Calame, 2013-08-18 The Poetics of Eros in Ancient Greece offers the first comprehensive inquiry into the deity of sexual love a power that permeated daily Greek life Avoiding Foucault's philosophical paradigm of dominance submission Claude Calame uses an anthropological and linguistic approach to re create indigenous categories of erotic love He maintains that Eros the joyful companion of Aphrodite was a divine figure around which poets constructed a physiology of desire that functioned in specific ways within a network of social relations Calame begins by showing how poetry and iconography gave a rich variety of expression to the concept of Eros then delivers a history of the deity's roles within social and political institutions and concludes with a discussion of an Eros centered metaphysics Calame's treatment of archaic and classical Greek institutions reveals Eros at work in initiation rites and celebrations educational practices the Dionysiac theater of tragedy and comedy and in real and imagined spatial settings For men Eros functioned particularly in the symposium and the gymnasium places where men and boys interacted and where future citizens were educated The household was the setting where girls brides and adult wives learned their erotic roles as such it provides the context for understanding female rites of passage and the problematics of sexuality in conjugal relations Through analyses of both Greek language and practices Calame offers a fresh subtle reading of relations between individuals as well as a quick paced and fascinating overview of Eros in Greek society at large **Greek Epigram and Byzantine Culture**

Steven D. Smith, 2019-05-16 An exciting analysis of gender and sexual desire in sixth century Greek epigram that bridges classical and early Byzantine culture *The Shape of Content* Chandler Davis, Marjorie Senechal, Jan Zwicky, 2008-10-28 This book is a collection of creative pieces poems short stories essays play excerpts that give shape to mathematical and scientific content This book portrays by example how various people work creatively with ideas from mathematics and other sciences Creative writing about the content of mathematics and science is rare and creative writing

Psychological Anthropology Reconsidered John M. Ingham, 1996-05-23 Reviews developments in psychological anthropology and examines psychoanalytic dialogical and social perspectives on personality and culture Subversive Expectations Sally Banes, 1998 The rise of performance art as chronicled by renowned critic Sally Banes Her approach to the complex matrix of art community and culture draws on histories and theories of painting photography dance theater and folklore Her vivid descriptions and provocative interpretations fill a gap in the history of contemporary performance where the avant garde met the mainstream **Cosmopolitan Sexuality** Ahonaa Roy, 2023-02-16 Cosmopolitan Sexuality articulates the ethnographic and anthropological studies of varied embodied projects in Indian metropolises With particular reference to the city of Bombay it draws evidences of gendered representations their desires appeal and aspirations to be and to express their sense of self It attempts to establish arguments to a deconstructive notion of any fixation of identity categories and build a robust and complex understanding of sexual experiences love emotions and interpersonal relationships

an unusual way of local as well as global patterns that are culturally scathed in the contemporary new India The book is relevant to contemporary embodiment studies the invasive means of desiring corporeal reconstruction on one hand and dress ornamentation and makeup on the other Transgressive politics are discursively and materially constructed to their everydayness and their unique ways of re representation Health is viewed in new dynamics of shared knowledges and communicative practices that has enabled building fresh arguments around community and public health with new visions of the anthropologies of empowerment *Law in the Courts of Love* Peter Goodrich,2002-11 In the wake of current criticisms of the legal profession Peter Goodrich presents us with a radical alternative vision of the law He examines past legal systems offering up the possibility of a more humane system **Healthy Living at the Library** Noah Lenstra,2020-06-18 This broad ranging resource is for librarians who want to begin a new program or incorporate healthy living into an existing one From garden plots to cooking classes to StoryWalks to free yoga more and more libraries are developing innovative programs and partnerships to encourage healthy living Libraries increasingly provide health and wellness programs for all ages and abilities and Healthy Living at the Library is intended for library staff of all types who want to offer programs and services that foster healthy living particularly in the domains of food and physical activity Author Noah Lenstra who has extensive experience directing and advising on healthy living programs first outlines steps librarians should take when starting programs highlighting the critical role of community partnerships The second section of the book offers detailed instructions for running different types of programs for different ages and abilities A third section includes advice on keeping the momentum of a program going and assessing program impacts Lenstra offers tips on how to overcome challenges or roadblocks that may arise An appendix contains resources you can adapt to get these programs off the ground including waivers of liability memoranda of understanding and examples of strategic plans and assessment tools **Ecology and the Literature of the British Left** H. Gustav Klaus,Valentine Cunningham,2016-04-29 Premised on the belief that a social and an ecological agenda are compatible this collection offers readings in the ecology of left and radical writing from the Romantic period to the present While early ecocriticism tended to elide the bitter divisions within and between societies recent practitioners of ecofeminism environmental justice and social ecology have argued that the social the economic and the environmental have to be seen as part of the same process Taking up this challenge the contributors trace the origins of an environmental sensibility and of the modern left to their roots in the late eighteenth and early nineteenth centuries charting the ways in which the literary imagination responds to the political industrial and agrarian revolutions Topics include Samuel Taylor Coleridge s credentials as a green writer the interaction between John Ruskin s religious and political ideas and his changing view of nature William Morris and the Garden City movement H G Wells and the Fabians the devastated landscapes in the poetry and fiction of the First World War and the leftist pastoral poetry of the 1930s In historicizing and connecting environmentally sensitive literature with socialist thought these essays explore the interactive

vision of nature and society in the work of writers ranging from William Wordsworth and John Clare to John Berger and John Burnside *Papers in Italian Archaeology VII: The Archaeology of Death* Edward Herring,Eoin O'Donoghue,2018-08-13 This volume collects more than 60 papers by contributors from the British Isles Italy and other parts of continental Europe and North and South America focussing on recent developments in Italian archaeology from the Neolithic to the modern period

Youth Cultures in America Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems *Food in the Ancient World from A to Z* Andrew Dalby,2013-04-15 Sensual yet pre eminently functional food is of intrinsic interest to us all This exciting new work by a leading authority explores food and related concepts in the Greek and Roman worlds In entries ranging from a few lines to a couple of pages Andrew Dalby describes individual foodstuffs such as catfish gazelle peaches and parsley utensils ancient writers on food and a vast range of other topics drawn from classical literature history and archaeology as well as looking at the approaches of modern scholars Approachable reliable and fun this A to Z explains and clarifies a subject that crops up in numerous classical sources from plays to histories and beyond It also gives references to useful primary and secondary reading It will be an invaluable companion for students academics and gastronomes alike **Los Angeles Magazine** ,2003-08 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian *Los Angeles Magazine* ,2003-08 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of
