Uno Nessuno E Centomila Italian Edition:

Twentieth-century Italian Literature in English Translation Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence *The Struggle for Life and the Modern Italian Novel, 1859-1925* Andrea Sartori, 2022-11-22 This book explores Darwinism in modern Italian literature In the years between Italy's unification 1861 and the rise of fascism many writers gave voice to anxieties connected with the ideas of evolution and progress This study shows how Italian authors borrowed and reworked a scientific vocabulary to write about the contradictions and the contrasting tensions of Italy's cultural and political economic modernization It focuses above all on novels by Italo Svevo Federico De Roberto and Luigi Pirandello The analysis centers on such topics as the struggle against adverse social conditions in capitalistic society the risk of failing to survive the struggle itself the adaptive issues of individuals uprooted from their family and work environments the concerns about the heredity of maladapted characters Accordingly the book also argues that the hybridization and variation of both narrative forms and collective mindsets describes the modernist awareness of the cultural complexity experienced in Italy and Europe at this time

Italian Literature since 1900 in English Translation Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature [Contemporary Italian Filmmaking](#) Manuela Gieri, 1995-01-01 *Contemporary Italian Filmmaking* is an innovative critique of Italian filmmaking in the aftermath of World War II as it moves beyond traditional categories such as genre film and auteur cinema Manuela Gieri demonstrates that Luigi Pirandello's revolutionary concept of humour was integral to the development of a counter tradition in Italian filmmaking that she defines humoristic She delineates a Pirandellian genealogy in Italian cinema literature and culture through her examination of the works of Federico Fellini Ettore Scola and many directors of the new generation such as Nanni Moretti Gabriele Salvatores Maurizio Nichetti and Giuseppe Tornatore A celebrated figure of the theatrical world Luigi Pirandello 1867 1936 is little known beyond Italy for his critical and theoretical writings on cinema and for his screenplays Gieri brings to her reading of Pirandello's work the critical parameters offered by psychoanalysis poststructuralism and postmodernism to develop a syncretic and transcultural vision of the history of Italian cinema She identifies two fundamental trends of development in this tradition the melodramatic imagination and the humoristic or comic

imagination With her focus on the humoristic imagination Gieri describes a Pirandellian mode derived from his revolutionary utterances on the cinema and narrative and specifically from his essay on humour *L'umorismo* On Humour 1908 She traces a history of the Pirandellian mode in cinema and investigates its characteristics demonstrating the original nature of Italian filmmaking that is particularly indebted to Pirandello's interpretation of humour [2015](#) Günter Berghaus,2015-07-01 The special issue of International Yearbook of Futurism Studies for 2015 will investigate the role of Futurism in theuvre of a number of Women artists and writers These include a number of women actively supporting Futurism e g R ena Z tkov Edyth von Haynau Olga Rozanova Eva K hn others periodically involved with the movement e g Valentine de Saint Point Aleksandra Ekster Mary Swanzy others again inspired only by certain aspects of the movement e g Natalia Goncharova Alice Bailly Giovanna Klien Several artists operated on the margins of a Futurist inspired aesthetics but they felt attracted to Futurism because of its support for women artists or because of its innovatory roles in the social and intellectual spheres Most of the artists covered in Volume 5 2015 are far from straightforward cases but exactly because of this they can offer genuinely new insights into a still largely under researched domain of twentieth century art and literature Guiding questions for these investigations are How did these women come into contact with Futurist ideas Was it first hand knowledge poems paintings manifestos etc or second hand knowledge usually newspaper reports or personal conversions with artists who had been in contact with Futurism How did the women respond to the positive or negative reports How did this show up in their uvre How did it influence their subsequent often non Futurist career **Monthly Bulletin. Digital Life on Instagram Elisa Serafinelli,2018-08-31 Discussing the social uses of Instagram this book shows how visuality is changing people's perception of the world and their mediated lives illustrating how the platform shapes new social relationships marketing techniques privacy and surveillance concerns and representations of the self arguing for the development of new mobile visualities **Media Life** Mark Deuze,2014-01-23 Research consistently shows how through the years more of our time gets spent using media how multitasking our media has become a regular feature of everyday life and that consuming media for most people increasingly takes place alongside producing media Media Life is a primer on how we may think of our lives as lived in rather than with media The book uses the way media function today as a prism to understand key issues in contemporary society where reality is open source identities are like websites always under construction and where private life is lived in public forever more Ultimately media are to us as water is to fish The question is how can we live a good life in media like fish in water Media Life offers a compass for the way ahead **Framing Literary Humour** Jeanne Mathieu-Lessard,2020-01-23 Contrary to what their oppressive design would lead us to believe might structures of imprisonment actually incite humour Starting from the most obvious areas of imprisonment war camps prison cells and moving to the less obvious masks bodies Framing Literary Humour demonstrates how 20th century humour

in theory and in fiction cannot be fully understood without a careful look at its connection with the notion of imprisonment Understanding imprisonment as a concrete spatial setting or a metaphorical image Jeanne Mathieu Lessard analyses selected works of Romain Gary Giovannino Guareschi Wyndham Lewis Vladimir Nabokov and Luigi Pirandello to reconfigure confinement as an essential structural condition for the emergence of humour [Dante Alive](#) Francesco Ciabattoni, Simone Marchesi, 2022-09-30 The essays collected here join in and contribute to the current reflection on Dante's vitality today in a critical multidisciplinary vein Their intervention comes at a particularly sensitive juncture in the history of Dante's global reception and cultural reuse Dante today is as alive as ever A cultural icon no less than a cultural product Dante's imaginative universe enjoys a pervasive presence in popular culture The multiformity of approaches represented in the collection matches the variety of the material that is analyzed The volume documents Dante's presence in genres as different as graphic novels and theater productions children's literature advertisements and sci-fi narratives rock and rap music video and boardgames satirical vignettes and political speeches school curricula and prison teaching initiatives Each chapter combines a focused attention to the specificity of the body of evidence it treats with best analytical practices The volume invites collective reflection on the many different rules of engagement with Dante's text **Modern Italian Literature** Ann Caesar, Michael Caesar, 2007-09-11 Covers 1690 to the present **Digression** Olivia Santovetti, 2007 This volume examines the workings of digression in the novels of five major Italian authors Manzoni Dossi Pirandello Gadda and Calvino from the birth of the modern novel in the early 19th century to the era of postmodernist experimentation **Encyclopedia of Italian Literary Studies** Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children's literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars **Yearbook of Italian Studies**, 1973 [Modernism and the Avant-garde Body in Spain and Italy](#) Nicolas Fernandez-Medina, Maria Truglio, 2016-03-22 This interdisciplinary volume interrogates bodily thinking in avant garde texts from Spain and Italy during the early twentieth century and their relevance to larger modernist preoccupations with corporeality It examines the innovative ways Spanish and Italian avant gardists explored the body as a locus for various aesthetic and sociopolitical considerations and practices In reimagining the nexus points where the embodied self and world intersect the texts surveyed in this book not only shed light on issues such as

authority desire fetishism gender patriarchy politics religion sexuality subjectivity violence and war during a period of unprecedented change but also explore the complexities of aesthetic and epistemic rupture and continuity within Spanish and Italian modernisms Building on contemporary scholarship in Modernist Studies and avant garde criticism this volume brings to light numerous cross cultural touch points between Spain and Italy and challenges the center periphery frameworks of European cultural modernism In linking disciplines genres isms and geographical spheres the book provides new lenses through which to explore the narratives of modernist corporeality Each contribution centers around the question of the body as it was actively being debated through the medium of poetic literary and artistic exchange exploring the body in its materiality and form in its sociopolitical representation relation to Self cultural formation spatiality desires objectification commercialization and aesthetic functions This comparative approach to Spanish and Italian avant gardism offers readers an expanded view of the intersections of body and text broadening the conversation in the larger fields of cultural modernism European Avant garde Studies and Comparative Literature
