

The background of the cover is a composite image. At the top, a black crow is shown from a high angle with its wings fully spread, as if it is landing or taking flight. Below the crow, the upper portion of a human face is visible. The face is pale and has a somber expression. Instead of a right eye, there is a camera lens. The lens is black with a silver-colored ring and a small, circular, reddish-brown element in the center. The overall color palette is muted, with greys, blacks, and soft skin tones.
