Expanding Notions of Assessment for Learning Bronwen Cowie, Judy Moreland, Kathrin Otrrel-Cass, 2013-02-11

Assessment for learning AfL is bound up with students becoming autonomous lifelong learners who are active participants in the classroom and beyond This book explores teacher and student experiences of AfL interactions in primary science and technology classrooms Working from a sociocultural perspective the book s fundamental premise is that AfL has a contribution to make to students developing identities as accomplished learners and knowers The focus is on understanding and enhancing teacher practices that align with the spirit of AfL The following points are illustrated AfL interactions are multifaceted multimodal and take place over multiple time scales Student learning autonomy is promoted when teachers provide opportunities for students to exercise agency within a system of accountabilities Teacher pedagogical content knowledge plays a pivotal role in teachers being able to respond to students Productive AfL interactions are reflective of the way a particular discipline generates and warrants knowledge The book will be of interest to teachers and educational researchers who want to examine AfL from a theoretical and a practical perspective **Qualitative Inquiry and the**

Politics of Research Norman K Denzin, Michael D Giardina, 2016-07-01 This volume of plenary addresses and other key presentations from the 2014 International Congress of Qualitative Inquiry highlights the politics of research in the neoliberal state and the role of qualitative researchers in that debate Marginalized by an increasingly top down assessment driven university system the fifteen contributors from a variety of disciplines show the responses of qualitative scholars in their research writing advocacy and teaching both inside the university and in the broader society Sponsored by the International Congress of Qualitative Inquiry Unpacking Assessment Duncan Wilson, 2019 The teams were trained through the

Performance Assessment Design Initiative PADI where they developed learning objectives rubrics as well as pre and post assessments based on state and local standards The data in the study include assessment materials non participant observations and individual interviews of teachers and team facilitators *Embedded Assessment and Writing* Paul Tanner, 2000
