Sadigh,Roberto Patarca Montero,2001-06-06 Discover a scientifically supported method to reduce chronic pain Autogenic Training A Mind Body Approach to the Treatment of Fibromyalgia and Chronic Pain Syndrome is the most comprehensive book ever written on autogenic training and its uses in the treatment of chronic pain fibromyalgia CFS and other chronic conditions Autogenic training is one of the most well established well researched methods of enhancing the body s natural self recuperative mechanisms It is the only mind body technique with an origin in sound medical research and as a result it benefits from a solid theoretical foundation that explains how and why it works This unique book effectively combines research theory and practice perspectives so that practitioners instructors and

students can benefit from its content without having to rely on other texts and treatment manuals for clarification and guidance. Autogenic Training: A Mind Body Approach to the Treatment of Fibromyalgia and Chronic Pain Syndrome is divided into three sections. The first brings you an exploration of the connection between stress and chronic pain, a comprehensive overview of the literature on fibromyalgia, scientifically supported stress management techniques. The second section reviews the history of autogenic training, discusses the requirements that must be fulfilled for the effective use of autogenic techniques in clinical practice. The third section of Autogenic Training: A Mind Body Approach to the Treatment of Fibromyalgia and Chronic Pain Syndrome consists of a detailed step by step manual for autogenic training. Each training session concludes with an actual case presentation that illustrates the use of autogenic training in the treatment of a variety of psychophysiological mind body conditions. This section also features a chapter dedicated to the most commonly asked questions about autogenic training and their answers. In addition to providing excellent reading material for clinical treatment, Autogenic Training: A Mind Body Approach to the Treatment of Fibromyalgia and Chronic Pain Syndrome can be effectively used as a textbook for teaching graduate and undergraduate courses in psychology, nursing, and medicine.
