number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry *Angels in Medieval Philosophical Inquiry* Martin Lenz,2016-04-15 The nature and properties of angels occupied a prominent place in medieval philosophical inquiry Creatures of two worlds angels provided ideal ground for exploring the nature of God and his creation being perceived as models according to which a whole range of questions were defined from cosmological order movement and place to individuation cognition volition and modes of language This collection of essays is a significant scholarly contribution to angelology centred on the function and significance of angels in medieval speculation and its history The unifying theme is that of the role of angels in philosophical inquiry where each contribution represents a case study in which the angelic model is seen to motivate developments in specific areas and periods of medieval philosophical thought *The Problem of Evil in the Ancient World* Mark Edwards,2023-06-22 The aim of this book is to ascertain how ancient Greek and Latin authors both pagan and Christian formulated and answered what is now called the problem of evil The survey ranges chronologically from the classical and Hellenistic eras through the Roman era to the end of the pagan world Six of the twelve chapters are devoted to Christianity including Manichaeism as one thesis of the book is that the problem of evil takes an acute form only for Christians since no other philosophy of antiquity posits a personal God exercising providence over individuals without having to overcome countervailing forces None the less it will also be shown that Greek philosophies Platonism in particular come close to the Christian formulation Being conscious of the affinity between Greek thought and their own early Christians respond to the problem of evil in the same way as the philosophers by questioning the existence of evil rather than of the divine **Prayer** Ade Esan,2011-09-15 Some people do not believe in prayer rather they believe that everything happens by chance To such people whatever will be will be with or without prayer Others believe that God knows everything and can do anything and that He does whatever He chooses to do So He does not need anybody prompting Him or reminding Him of His duties by praying I am sure these group of people have never experienced the power of prayer God enjoins us to pray without ceasing He wants us to ask seek and knock in order to receive find and have doors open before us Prayer brings about supernatural manifestation of the power of God and anyone who has experienced this manifestation will testify that prayer is indispensable This book is filled with instances of such manifestation **When Angels Fall from Heaven** David Starr,2004 What would happen should one of God s creations decide to rebel against Him and lead others into rebellion **1 & 2 Peter and Jude MacArthur New Testament Commentary Set** John MacArthur,2005-10-01 This package includes the complete two volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways In 1 Peter MacArthur demonstrates how this letter written to

persecuted believers scattered throughout Asia Minor speaks to faithful Christians suffering today Even when believers face trials and adversity they can rest in their salvation live out their testimony and look forward to Jesus return In 2 Peter Jude both letters address the need to combat false teaching and to strengthen believers in the truth In a day when sound doctrine is devalued MacArthur s analysis of these warnings has never been more needed **Into the Muck** Rory Smith,2025-02-26 The United States Government locates Rock Razie and the Knights Protego in Spain only to have their CIA operatives captured and returned to the U S However their ability to find him and his friends has put the KP on the defensive and they begin formulating plans to fight back While doing so they investigate a strange occurrence on the Euphrates River which eventually provides them a glimmer of hope While executing their plans the President is slaughtered on the east lawn and the KP plan goes in an unexpected direction Follow Rock and the KP as they fight the most corrupted government in the history of mankind The United States Executive and Legislative branches who will stop at nothing to eliminate Rock Razie and his library of knowledge on their corruption **Milton and the Idea of the Fall** William Poole,2005-06-16 In Paradise Lost 1667 Milton produced the most magnificent poetic account ever written of the biblical Fall of man In this wide ranging study William Poole presents a comprehensive analysis of the origin evolution and contemporary discussion of the Fall and the way seventeenth century authors particularly Milton represented it Poole first examines the range and depth of early modern thought on the subject then explains and evaluates the basis of the idea and the intellectual and theological controversies it inspired from early Christian times to Milton s own century The second part of the book delves deeper into the development of Milton s own thought on the Fall from the earliest of his poems through his prose to his mature epic Poole distinguishes clearly for the first time the range and complexity of contemporary debates on the Fall of man and offers many insights into the originality and sophistication of Milton s work IN THEIR IMAGE AND LIKENESS Linda Hourihan HHCP,2025-09-05 In Their Image and Likeness Second Edition uncovers hidden spiritual truths about humanity s origins free will and the divine spark within us all Drawing from ancient texts metaphysics and lived experience Linda Hourihan HHCP explores angels and fallen angels reincarnation karmic law and ascension With clarity and courage she reveals how religion politics and social systems have long obscured our connection to Eternal Universal Life Force Energy the limitless living light that dwells within every soul A guide for seekers this book inspires healing freedom and the awakening of your true inner power **Warding Off Evil** Michael J. Morris,2017-10-24 In this study Michael J Morris examines aspects of synoptic gospel demonology specifically human responses to demonic evil It is clear that early Christian demonology can be more fully understood against the background of early Jewish traditions In the Dead Sea Scrolls for instance there are two fundamental ways by which protection against demons is sought The first anti demonic method is exorcism and the second is characterized by its preventative nature and is typically referred to as apotropaism Although many contributions have been made on the topic of exorcism in the gospels less attention has been paid to the presence of apotropaic features in the gospel

texts Therefore Michael J Morris offers a timely examination of apotropaic tradition in early Judaism and its significance for demonological material in the synoptic gospels The Plan of Salvation Robert J. Walker, 2011-09-18 To the unholy men of that day it would be just another crucifixion But to the unseen spiritual world this would be the greatest show of love ever witnessed in all of creation Whatever doubt there may have been in the minds of the universe concerning the love God has for His creation would now be removed The universe would now know without a doubt that God is truly a great God of love Jesus would carry out The Plan of Salvation He would lay down His life for the human race Holy angels could not believe that they were about to actually witness the death of the co creator of the universe Just the mere thought that Jesus would give His life for the one and only rebellious planet in the entire universe was beyond understanding even for angels
