Crawley,2020-11-06 For over thirty years a political and

social battle over bilingual education raged in the U S This book a period piece rich in political historical and local western context is the story of language education inequality and power clashes between the dominant society and the Crow Indian Reservation of Montana **Children's Books in Print, 2007** ,2006 Education in Languages of Lesser Power Craig Alan Volker,Fred E. Anderson,2015-02-15 The cultural diversity of the Asia Pacific region is reflected in a multitude of linguistic ecologies of languages of lesser power i e of indigenous and immigrant languages whose speakers lack collective linguistic power especially in education This volume looks at a representative sampling of such communities Some receive strong government support while others receive none For some indigenous languages the same government schools that once tried to stamp out indigenous languages are now the vehicles of language revival As the various chapters in this book show some parents strongly support the use of languages other than the national language in education while others are actively against it and perhaps a majority have ambivalent feelings The overall meta theme that emerges from the collection is the need to view the teaching and learning of these languages in relation to the different needs of the speakers within a sociolinguistics of mobility Intermediate Testing Strategies Grade 8 Amin Abu-Ayyash,Juhaina Yakzan,2015-04-06 Intermediate Testing Strategies provides students with test taking strategies that help them perform better in English language tests Intermediate Testing Strategies empowers teachers to assess students English language mastery and grants parents the chance to monitor their children s progress Intermediate Testing Strategies addresses the discrepancies discovered between students high grades for English language class work and their low scores on tests With Intermediate Testing Strategies a test is no more an anxiety provoking activity it is a day to day anxiety free pursuit **Consuming Knowledge: Studying Knowledge Use in Leisure and Work Activities** Steven D. Silver,2012-12-06 It is difficult to overstate the importance of personal consumption both to individual consumers and to the economy While consumer are recognized as valuing market goods and services for the activities they can construct from them in the frameworks of several disciplines consequences of the characteristics of goods and services they use in these activities have not been well studied In the discourse to follow I will contrast knowledge yielding and conventional goods and services as factors in the construction of activities that consumers engage in when they are not in the workplace Consumers will be seen as deciding on non work activities and the inputs to these activities according to their objectives and the values and cumulated skills they hold I will suggest that knowledge content in these activities can be efficient for consumer objectives and also have important externalities through its effect on productivity at work and economic growth The exposition will seek to elaborate these points and contribute to multi disciplinary dialogue on consumption It takes as its starting point the contention that consumption is simultaneously an economic and social psychological process and that integration of content can contribute to explanation **Activating the Primary Social Studies Classroom** Leslie Marlow,Duane Inman,2005 In this educational era of increasing emphasis on student performance there is a definite shortage of high interest resources through which teachers can effectively address

the ten standards identified by the National Council for the Social Studies NCSS Teachers need ideas for simple low cost activities which they can do with their students to allow social studies learning to occur in an interesting engaging manner Now there is a resource designed with hands on learning opportunities that are aligned with the NCSS standards Included in this sourcebook are Assessment rubrics Student and professional technology resources Descriptions of various instructional models An appendix containing background information to facilitate the users understanding of certain activities A glossary of specialty terms and concepts used Each activity which addresses multiple standards can be used for enrichment or to accommodate students with various needs The activities feature Recommendations for interesting children s literature Links to web sites related to each activity Suggestions for adaptations or extensions to effectively meet the needs of specific students Will be of interest to pre service and in service elementary teachers who want to enliven their classrooms with student involvement and interest in social studies topics *Bulletin - Bureau of Education* United States.
