The Automotive Industry and European Integration A. J. Jacobs,2019-08-07 This book
chronicles the divergent growth trends in car production in Belgium and Spain It delves into how European integration high
wages and the demise of GM and Ford led to plant closings in Belgium Next it investigates how lower wages and the
expansion strategies of Western European automakers stimulated expansion in the Spanish auto industry Finally it offers
three alternate scenarios regarding how further EU expansion and Brexit may potentially reshape the geographic footprint of
European car production over the next ten years In sum this book utilizes history to help expand the knowledge of scholars
and policymakers regarding how European integration and Brexit may impact future auto industry investment for all EU
nations
