Shares Tom's profound teachings on life, death, and unconditional love gained through his near-death experiences and direct encounter with the Light. Includes more than 160 true and remarkable stories about Tom completing his mission to spread God's Unconditional Love. Details Tom's death experiences and how in 2007, when he felt he had fulfilled his mission from God, he consciously left life on Earth. During his death experience, Tom was charged by God with a three-part mission: teach that death does not exist; prevent nuclear war; and promote the Order of Melchizedek, in which he became a highly respected
