

Adjectives (p. 55)

- Words that describe people and things are called **adjectives**.
- Most Spanish adjectives have two forms: masculine (ends in **-o** like **simpático**) and feminine (ends in **-a** like **estudiosa**).
- Masculine adjectives are used with masculine nouns: **Tomas es simpático**.
- Feminine adjectives are used with feminine nouns: **Jimena es estudiosa**.
- Adjectives that end in **-e** and **-ista** may be used with either masculine or feminine nouns:

Tomas es inteligente. Y Jimena es inteligente también.

Marcos es muy deportista. Ana es muy deportista también.

- Adjectives with the masculine form **-dor** have **-dora** as the feminine form:

Juan es trabajador. Susana es trabajadora también.

A. Look at the adjectives below. Circle the ending of the adjective: **-o**, **-a**, **-or**, **-ora**, **-e**, or **-ista**.

- | | | |
|---------------|----------------|----------------|
| 1. trabajador | 4. ordenada | 7. trabajadora |
| 2. deportista | 5. inteligente | 8. sociable |
| 3. paciente | 6. simpática | 9. estudioso |

B. Now, organize the adjectives from **part A** by writing them in the chart under the correct column heading. One has been done for you.

Masculine endings		Feminine endings		Masculine or feminine	
-o	-or	-a	-ora	-e	-ista
estudioso	trabajador-	ordenada	trabajadora	paciente	deportista
		simpática		inteligente	
				sociable	

C. Now look at the following sentences. Write **M** next to the sentences where the *adjective is masculine*. Write **F** next to the sentences where the adjective is *feminine*. Write **E** next to the sentences where the adjective could be *either* masculine or feminine.

- | | |
|--------------------------------|----------------------------|
| <input type="text" value="F"/> | 1. Yo soy muy simpática. |
| <input type="text" value="M"/> | 2. Tu eres muy estudioso. |
| <input type="text" value="M"/> | 3. Tu eres muy ordenado. |
| <input type="text" value="F"/> | 4. Yo soy muy trabajadora. |
| <input type="text" value="E"/> | 5. Yo soy muy inteligente. |

- | | |
|--------------------------------|-----------------------------|
| <input type="text" value="M"/> | 6. Tu eres muy trabajador. |
| <input type="text" value="E"/> | 7. Yo soy muy paciente. |
| <input type="text" value="E"/> | 8. Yo soy muy deportista. |
| <input type="text" value="F"/> | 9. Tu eres muy reservada. |
| <input type="text" value="E"/> | 10. Tu eres muy impaciente. |

Spanish 1 Guided Practice 5a Answers: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Spanish 1 Guided Practice 5a Answers : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spanish 1 Guided Practice 5a Answers : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
