The Sorority Body Image Program Group Leader Guide Carolyn Black Becker, Eric Stice, 2008 Teens and young adult women are highly likely to experience some level of body dissatisfaction which if ignored can result in unhealthy dieting habits anorexia or bulimia One in ten adolescent females experience threshold or subthreshold bulimia nervosa but less than 25% of them ever seek treatment Because body dissatisfaction is so prevalent in our society it is often overlooked until it becomes a life threatening illness Treating low body image before it turns into a more serious health risk is the best way to protect young women s health This intervention program stops the onset of dangerous body dissatisfaction by teaching participants to understand and reject the hoax of society s thin ideal Young women in college are at a particularly high risk for dangerous body dissatisfaction and this risk can be exponentially increased for members of sororities In efforts to combat this problem many sororities now offer eating disorder awareness programs for their members This adaptation of the successful Body Project program is designed specifically for use by sororities workbook examples exercises and facilitator s instructions have all been tailored for use in a sorority setting The accompanying workbook contains various assignments that keep participants thinking critically about the thin ideal

White Sororities and the Cultural Work of Belonging

Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women s social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history

Entrepreneurship and Self-Help among Black Americans John Sibley Butler, 2012-02-01 Since its publication in 1991 *Entrepreneurship and Self Help among Black Americans* has become a classic work influencing the study of entrepreneurship and more importantly revitalizing a research tradition that places new ventures at the very center of success for black Americans This revised edition updates and enhances the work by bringing it into the twenty first century John Sibley Butler traces the development of black enterprises and other community organizations among black Americans from before the Civil War to the present He compares these efforts to other strong traditions of self help among groups such

as Japanese Americans Jewish Americans Greek Americans and exciting new research on the Amish and the Pakistani He also explores how higher education is already a valued tradition among black self help groups such that today their offspring are more likely to be third and fourth generation college graduates Butler effectively challenges the myth that nothing can be done to salvage America's underclass without a massive infusion of public dollars and offers a fresh perspective on those community based organizations and individuals who act to solve local social and economic problems *The State of Black Michigan*, 1986 **Affirming Identity, Advancing Belonging, and Amplifying Voice in Sororities and Fraternities** Pietro A. Sasso, Mónica Lee Miranda, J. Patrick Biddix, 2024-04-01 In the wake of the AbolishGreekLife and other calls for racial justice the role of identity development also becomes ever increasingly important as we consider how to make the sorority fraternity more inclusive for our students In the end it may really be the power of inclusion on college campuses that leads to many of the educational goals that we yearn for in student growth the formal and informal social interactions bonded in reflective learning that help build social and academic success In this we can celebrate together especially those of us who have romanticized so many bright college years This text is a response to a call for existential exploration as an attempt to critically revivify our understanding of the sorority fraternity experience as it contributes specifically to students identity development and learning The text is grouped around centering their experiences through three A's Amplifying Voice Affirming Identity and Advancing Belonging to highlight the identity experiences of the diverse spectrum of fraternity and sorority members across the intersections of identity so often excluded from the literature Chapters in this text attempt to foreground how the fraternity sorority experience explicitly contributes to these areas of student development across multiple identities including race ethnicity culture gender identity social class and ability Authors critically interrogate systems of oppressions that subjugate marginality from those with intersectional identities to recognize the larger challenges facing the sorority fraternity movement as an attempt to disrupt these systems to better identify influences on identity development ENDORSEMENTS Pietro Sasso and associates are leading a game changing conversation about the impact of fraternity and sorority communal experiences on student identity Pietro Sasso and the contributing authors of this robust text successfully endeavor to inform practice through critical analysis framing important questions and offering pragmatic solutions that are timely relevant and practical in both the academy and the fraternal system This book is a must read for anyone seeking to understand or have a relevant impact on the intersections of sense of belonging identity development and sorority fraternity life Jason L Meriwether Campbellsville University In their most recent book examining contemporary sorority and fraternity life Sasso Biddix and Miranda have curated discerning chapters that expand existing scholarship by exploring the impact of fraternity and sorority membership on identity development belonging and student voice through critical lenses This book should be on the bookshelf of all higher education administrators and faculty Gavin Henning New England College *The Crescent of Gamma Phi Beta*, 1911 **Contradictions in Women's Education** Barbara J.
