TOC Section A Reading Section B Writing and Grammar and Section C Literature Practice Papers 1-3 Sound And Hearing Gr. 4-6 Kris Graupe, 2014-05-14 In this fabulous unit students learn everything they need to know about sound and more. This highly practical and simple to use unit is broken into three parts. First students participate in meaningful activities associated with the core theme of each lesson. Next a series of optional lessons provides extra activities that teachers may wish to use for homework assignments review or enrichment. Finally a series of student notes provides the information base for the unit and makes expensive textbooks completely unnecessary. This Life Science lesson provides a teacher and student section with a variety of reading passages activities crossword word search pictograms and answer key to create a well rounded lesson plan.

Silent Film Sound Rick Altman, 2004 Silent films were of course never silent at all. However the sound that used to accompany the screen picture in the early days of cinema has been neglected as an area of study. Altman explores the various musical narrative and even synchronized sound systems that enriched cinema before Jolson spoke.
