

This guide is to help people make an infinite source of Synergy requests for Palcoins and aid in completing their weekly guild tokens cap.

The weekly guild quests have a section dedicated to completing 5/10/15 and 20 proxy/synergy/corrupted-creature fights in sequence. Each earns you 300, 1200 tokens can be obtained this way. This makes it easier to get to your weekly guild tokens cap at which point you also contribute +45 guild chest for more rewards.

Both proxy and corrupted creature fights require the fight to be completed, thus removing the person who posted from posting that fight again. These two options dwindle with time, getting only boosts with new seasons or fresh accounts.

Synergy Request doesn't follow that rule, the fight doesn't need to be completed but a person can only have one world request active at any time and only three people can send a hero for that request.

• Set-Up

Pick two mobs that don't guard something and aren't battle drill fights, these will be your two world mobs (you can pick more) that you will use for the infinite set-up. Never autorun to these mobs, doing so once you get strong enough would auto-kill them. Manually walk up to them and no matter how strong you are there will be a normal battle icon next to the smite icon.

Now solo the fight with Damian and you will instantly lose.

You can then generate a Synergy battle.

World Synergy Battle (3/3) 0

After a max of 3 heroes do the same with the other mob.

World Synergy Battle (3/3) 0

Click on it to confirm to generate a new synergy request.

Synergy battles let you also gift up to five times a day, the more people can generate them, the more palicoins can be gotten by people.
