 for Time** Charles D. Melson,2021-02-05 This military study examines the evolution of the Rhodesian armed services during  
 the complex conflicts of the Cold War era Through the 1960s and 1970s Africa endured a series of conflicts involving  
 Rhodesia South Africa and Portugal in conflict with the Frontline States The Cold War brought outside influences including  
 American interest at the diplomatic economic and social level In **Fighting for Time** military historian Charles D Melson sheds  
 new light on this complex and consequential period through analysis of the Rhodesian military Drawing on a wealth of  
 primary sources Melson examines the Rhodesian military s evolution into a special operations force conducting intelligence  
 driven operations Along the way he identifies key lessons to be learned from this low intensity conflict at the level of tactics

techniques and procedures Melson looks closely at the military response to the emerging revolutionary threat and the development of general and special purpose units He addresses the critical use of airpower as a force multiplier supporting civil police and army efforts ranging from internal security and border control to internal and external combat operations the necessity of full time joint command structures and the escalation of cross border attacks and unconventional responses as the conflict evolved
