Take a Bow (The Perfect Plans Series #2) C. J. Wells, 2014 *Best-Practice EVA* Bennett Stewart, 2013-02-19 Best Practice EVA tells the new EVA story from the ground up Stewart covers EVA essentials the classic economic profit version of EVA in the first three chapters of the book He shows readers how simple and intuitive EVA really is how it is defined and why it is better than all other measures of corporate profit You discover how it naturally guides managers into making all the right decisions the ones that will truly maximize value You see how to use it in profit sharing bonus plans that create the powerful incentives of an owner Later Stewart introduces new ratios that make EVA much more powerful and much easier to use than ever before The pinnacle of the new ratio framework is EVA Momentum calculated by taking the change in EVA versus the prior period and dividing by the revenues in the prior period It measures the growth rate in EVA scaled to the sales size of the business It is the only corporate performance ratio where bigger always is better because it gets bigger when EVA does which means it should be every company's most important financial goal the one ratio metric that everyone aims to maximize as the key measure of corporate success Stewart then walks through the nuts and bolts of Best Practice EVA kicking off with an in depth look at EVA Margin or EVA as a percent of sales It's a key productivity metric and Stewart's candidate to replace ROI The last link in the Best Practice program is PRV it the EVA market score report Stewart shows how to read and interpret the report how the score is determined and why investors are turning to it to screen and rate stocks He also shows why it is finding a home with CFOs and IR directors who want insights into how the market is pricing their stock The book concludes with battle tested tips from the firing line practical suggestions for how you can test drive and adopt Best Practice EVA at your company **The Perfect Plan** Bryan Reardon, 2019-06-18 From New York Times bestselling author Bryan Reardon comes a tense twisting story about two brothers locked together in a dangerous game and an unforgettable tale of a family's dark secrets Liam Brennan teeters on the edge Early one morning he snaps kidnapping a young woman who works for Drew Brennan Liam's older brother and the upstart candidate in a heated election This sudden vicious attack appears to be the beginning of an unthinkable spiral But when it comes to the Brennan brothers nothing is what it seems To the rest of the world Liam is the troubled problem child who grew up to be his brother's enforcer while Drew has always been the perfect son and a charismatic leader who has his sights set on the governor's mansion with his charming and beautiful wife Patsy by his side Now as Liam tries to stay one step ahead of the authorities and his brother every passing minute provides a deeper glimpse into the brothers past long hidden behind a picture perfect suburban veneer With the threat of the truth surfacing Liam and Drew are driven toward one final desperate act **The Not-So-Perfect Plan** Christina Matula, 2023-04-04 I can't wait for readers to explore Hong Kong with Holly Mei I have no doubt they will love both as much as I did Erin Entrada Kelly 2018 Newbery Medalist and 2021 Newbery Honoree on *The Not So Uniform Life of Holly Mei* Return to Hong Kong in the second book of this charming middle grade series starring Holly Mei a girl navigating her
