I Sold My House in a Raffle Diane Giraudo McDermott, 2010-06-01 If you're a home seller wishing to skip the conventional process of listing your home and waiting for a qualified buyer and you've always wanted to be rich enough to help your favorite charity in a big way your time has come I Sold My House in a Raffle explains the entire process for homeowners, realtors, and also for the nonprofit director who is open to an innovative fundraising alternative that can provide a sizeable chunk of cash to support the charity. Diane Giraudo McDermott, an advocate of animal rights, couldn't match the incentives building developers were offering home buyers and buyers interested in her property couldn't qualify for a loan so she used her marketing background and partnered with a no-kill animal shelter and successfully sold her house in a raffle. Inside you'll learn how to utilize the best marketing techniques, create a winning raffle formula, complete the required paperwork, connect with the right charity, and reduce your risk. Take charge of your real estate future, save thousands of dollars, save time waiting for that qualified buyer, and get your full asking price. This is a method whose time has come and it can work for you too. *Healthy and Sustainable Fundraising Activities* Jenine M. De Marzo, Anne Gibbone, Greg Letter, Catherine Klein, 2012-05-07 For most schools and organizations, fundraisers bridge the gap between budgets and the money they need in order to operate. Despite the continued rise in childhood and adult obesity and increased attention to humankind's ecological impact, many fundraisers still rely on the sale of high-calorie, low-nutrient foods or ask supporters to become consumers of incidental items and paper products to support the cause. *Healthy and Sustainable Fundraising Activities* offers innovative and thoughtful options that raise money for your cause without contradicting the physical activity, health, and ecological messages emphasized in your school or organization. In contrast to traditional fundraisers involving food and incidental products, the ideas in *Healthy and Sustainable Fundraising Activities* encourage personal, community, and environmental health and reinforce the health and social responsibility initiatives in place in your school or organization. With *Healthy and Sustainable Fundraising Activities*, you'll learn how to involve not just your school or organization but the entire community in health-promoting, environmentally friendly activities. With *Healthy and Sustainable Fundraising Activities*, you'll find a range of ideas from ink cartridge recycling to a dance competition and a unique approach to fundraising sure to energize your students, members, and community to meet and exceed your fundraising goals. For educators, each of the activities outlined in the text is based on National Health Education Standards (NHES) and National Association for Sport and Physical Education (NASPE) standards and 21st-century learning outcomes, making this text a great resource for incorporating the health and wellness initiatives of your school into the fundraising plans for your class, club, sport team, or organization. Activities in the book are grouped according to the level of knowledge, skills, and abilities required for organizing and conducting them. Most activities use similar or commonly used resources often available in a school or organizational setting. You'll find clear and complete explanations in a standard lesson plan format along with the tools and information you need in

order to implement each idea With background information on various types of fundraisers how these types are categorized and guidance on scheduling implementing and communication you ll have a full picture of what it takes to complete each event Get your members and community involved in a project that not only raises money but also gives children exposure to important values such as lifelong wellness hard work perseverance integrity and civic engagement Regardless of whether you are new to fundraising or simply searching for new ideas for your next project Healthy and Sustainable Fundraising Activities offers the tools information and inspiration to help you reach your monetary goals in ways that contribute to the health and well being of your students members community and the environment **Alicia's Updates** Rene A.
