Thank You Parents Speech For Graduation:

Speaking up and Speaking Out Thomas L. Hughes, 2013-08-22 2014 will be the 50th anniversary of the landslide victory of Lyndon Johnson and Hubert Humphrey in the 1964 election This collection of speeches by my husband Thomas L. Hughes displays one privileged insiders unusual role during LBJs five years in office The political courage and literary merit of these speeches were highly praised the time Their targeted distribution usually carried a not for publication restriction Together they cover a variety of significant foreign policy topics from the 1964 69 years After graduating from Carleton College Oxford University and Yale Law School Tom served as Senator Humphreys Legislative Counsel in the Senate from 1955 59 when Johnson was Majority Leader President Kennedy appointed him Director of Intelligence and Research in the State Department and he remained in that position until the summer of 1969 In fact Dean Rusk and Tom were the only presidential appointees to serve at State from the first day of Kennedys administration to the last day of Johnsons Because of his long Humphrey association Tom was also regarded by many as the Vice Presidents man in the State Department Thus some of these speech themes were inevitably perceived rightly or wrongly as examples of what the Vice President himself might be thinking if he were not obliged to toe the official line on controversial issues like Vietnam China and Latin America What is unique about the speeches is that their various themes were topics deliberately chosen to influence policymakers inside the government as well as observers outside hence *Speaking Up and Speaking Out Public Statements of Robert M. Gates, Secretary of Defense, 2006-2007* Robert Michael Gates, 2007
