of Translation Damion Searls,2024-10-29 A deep dive into the nature of translation from one of its most acclaimed practitioners Avoiding theoretical debates and clichéd metaphors award winning translator Damion Searls has written a fresh approachable and convincing account of what translation really is and what translators actually do As the translator of sixty books from multiple languages Searls has spent decades grappling with words on the most granular level nouns and verbs accents on people's names rhymes rhythm untranslatable cultural nuances Here he connects a wealth of specific examples to larger philosophical issues of reading and perception Translation he argues is fundamentally a way of reading but reading is much more than taking in information and translating is far from a mechanical process of converting one word to another This sharp and inviting exploration of the theory and practice of translation is for anyone who has ever marveled at the beauty force and movement of language Oscar Wilde, Wilfred Owen, and Male Desire James Campbell,2015-09-08 This book reads Oscar Wilde as a queer theorist and Wilfred Owen as his symbolic son It centers on the concept of male procreation or the generation of new ideas through an erotic but non physical connection between two men and it sees Owen as both a product and a continuation of this Wildean tradition **Dictionary and Thesaurus** Fred McDonald,1999-07

The Passion Trap: How to Right an Unbalanced Relationship Dean C. Delis,2015-09-02 Who gets caught in the Passion Trap It's the catch 22 of romantic relationships The more deeply one partner falls in love the more distant the other becomes This is the passion trap an emotional dynamic that results in increasing desire and desperation in the one down lover and dissatisfaction often mingled with guilt and withdrawal in the one up Now Dr Dean Delis a renowned psychologist who believes the passion trap is both common and curable shows you how to change the patterns that threaten your relationship Drawing from his counseling work with individuals and couples he offers fresh insights and powerful proven techniques from Trial Closeness to Healthy Distance to help you and your partner rekindle romance and discover a new equilibrium of love and desire for a lifetime of happiness *Modern Sentimentalism* Lisa Mendelman,2019-12-17 Modern Sentimentalism examines how American female novelists reinvented sentimentalism in the modernist period Just as the birth of the modern woman has long been imagined as the death of sentimental feeling modernist literary innovation has been understood to reject sentimental aesthetics Modern Sentimentalism reframes these perceptions of cultural evolution Taking up icons such as the New Woman the flapper the free lover the New Negro woman and the divorcee this book argues that these figures embody aspects of a traditional sentimentality while also recognizing sentiment as incompatible with ideals of modern selfhood These double binds equally beleaguer the protagonists and shape the styles of writers like Willa Cather Edith Wharton Anita Loos and Jessie Fauset Modern sentimentalism thus translates nineteenth century conventions of sincerity and emotional fulfillment into the skeptical self conscious modes of interwar cultural production Reading canonical

and under examined novels in concert with legal briefs scientific treatises and other transatlantic period discourse and combining traditional and quantitative methods of archival research Modern Sentimentalism demonstrates that feminine feeling far from being peripheral to twentieth century modernism animates its central principles and preoccupations **The Man in the Mirror** Patrick M. THE SPIRIT OF SPINOZA Neal Grossman,2014-05-02

BENEDICT SPINOZA was a 17th century philosopher and spiritual psychotherapist This intellectual self help book provides important insights from Spinoza s system of thought in a format accessible to the general reader as well as to those already familiar with his philosophy By applying his method to our personal lives we may free ourselves from bondage to our lower emotions and habitual behaviors and thus begin to enjoy the continuous supreme and unending happiness promised by Spinoza Those of us who came of age in the twentieth century were taught that we must adopt a crazy making strategy of compartmentalizing our lives putting our rational scientific side into one corner and our psychological spiritual side in another The precarious state of our world is evidence enough that this approach to life is a destructive dead end You are holding an effective alternative in your hand The Spirit of Spinoza is a brilliant treatise that has been field tested by Professor Neal Grossman in his own life and that of his students over decades This book is a master stroke by a master teacher about a master philosopher It is also delightfully dangerous for it has the power to shift one s life onto a new axis where it becomes possible to blend knowledge and wisdom into an experience that can best be described quite simply as waking up Larry Dossey MD author of One Mind How Our Individual Mind Is Part of a Greater Consciousness and Why It Matters **Love Is Strange** Phil Turner,2015-03-11 Love is strange was the first record that Phil Turner ever bought It s title is a poignant starting point for a tale of a man who charts life s ups and downs not with the aid of the family album but with his album collection From pre indie days at Manchester University gigs and onto the power and the glory that is U2 in concert even at Blackpool Catering College Phil reminisces about his lost loves his misplaced innocence and wonders how a struggling singer songwriter manages to keep up payments on his pension plan Love is Strange Everyman s journey to the present
