The 80 20 Manager The Secret To Working Less And Achieving More:

The 80/20 Manager Richard Koch,2013-10-01 Bestselling author Richard Koch shows managers how to apply the 80 20 Principle to achieve exceptional results at work without stress or long hours In his bestselling book The 80 20 Principle Richard Koch showed readers how to put the 80 20 Principle the idea that 80 percent of results come from just 20 percent of effort into practice in their personal lives Now in The 80 20 Manager he demonstrates how to apply the principle to management An 80 20 manager learns to focus only on the issues that really matter achieving exceptional results and feeling successful everyday while working less hard in fewer hours A large number of managers especially in these difficult times feel completely overwhelmed Their inboxes are overflowing and they constantly struggle to finish their to do lists leaving little time for the things that really matter The 80 20 Manager shows a new way to look at management and at life to enjoy work and build a successful and fulfilling career

The 80/20 Manager Richard Koch,2013-10-01 Bestselling author Richard Koch shows managers how to apply the 80 20 Principle to achieve exceptional results at work without stress or long hours In his bestselling book The 80 20 Principle Richard Koch showed readers how to put the 80 20 Principle the idea that 80 percent of results come from just 20 percent of effort into practice in their personal lives Now in THE 80 20 MANAGER he demonstrates how to apply the principle to management An 80 20 manager learns to focus only on the issues that really matter achieving exceptional results and feeling successful everyday while working less hard in fewer hours A large number of managers especially in these difficult times feel completely overwhelmed Their inboxes are overflowing and they constantly struggle to finish their to do lists leaving little time for the things that really matter THE 80 20 MANAGER shows a new way to look at management and at life to enjoy work and build a successful and fulfilling career

The 80/20 Principle, Third Edition Richard Koch,2011-11-09 Be more effective with less effort by learning how to identify and leverage the 80 20 principle that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts The 80 20 principle is one of the great secrets of highly effective people and organizations Did you know for example that 20 percent of customers account for 80 percent of revenues That 20 percent of our time accounts for 80 percent of the work we accomplish The 80 20 Principle shows how we can achieve much more with much less effort time and resources simply by identifying and focusing our efforts on the 20 percent that really counts Although the 80 20 principle has long influenced today s business world author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness and improve our careers and our companies The unspoken corollary to the 80 20 principle is that little of what we spend our time on actually counts But by concentrating on those things that do we can unlock the enormous potential of the magic 20 percent and transform our effectiveness in our jobs our careers our businesses and our lives
