The After House English Edition:

After the Sun Jonas Eika, 2022-08-23 Relentlessly thrilling an orgy of the unpredictable New York Times Book Review Like Thomas Pynchon taking on late capitalism surrealistic granular in its details and concerned with social entropy and desperate attempts at communion Wall Street Journal From a major new international voice mesmerizing inventive fiction that probes the tender places where human longings push through the cracks of a breaking world Under Canc n s hard blue sky a beach boy provides a canvas for tourists desires seeing deep into the world s underbelly An enigmatic encounter in Copenhagen takes an IT consultant down a rabbit hole of speculation that proves more seductive than sex The collapse of a love triangle in London leads to a dangerous hypnotic addiction In the Nevada desert a grieving man tries to merge with an unearthly machine After the Sun opens portals to our newest realities haunting the margins of a globalized world that s both saturated with yearning and brutally transactional Infused with an irrepressible urgency Eika s fiction seems to have conjured these far flung characters and their encounters in a single breath Juxtaposing startling beauty with grotesquery balancing the hyperrealistic with the fantastical as though the worlds he describes are being viewed through an ultraviolet filter in one Danish reviewer s words he has invented new modes of storytelling for an era when the old ones no longer suffice

Female Voices and Egyptian Independence Rania M. Mahmoud, 2023-12-28 This book offers a nuanced analysis of the ways in which Egyptian and British novels represent the Egyptian nationalist project in its struggle against British hegemony in the aftermath of two revolutions the 1881 82 Urabi Revolution known for inaugurating the British occupation of Egypt and the 1919 Revolution celebrated in Egyptian national memory as the classic Egyptian revolution par excellence Reading the novels against the grain the study recovers female voices that are multiply marginalized due to their gender and or ethnicity whether by colonial imperial powers the nation their immediate regional community or finally by the works under discussion themselves Using a comparative lens the study foregrounds the ways in which the authors confirm critique rewrite revise or reject developmental narratives Female Voices and Egyptian Independence pays particular attention to women that range from the uneducated black slave to the uneducated rural Siwan woman with artistic talent to the wealthy cultured Coptic housewife to the rising late nineteenth century British female professional and finally to the eclipsed twentieth century Egyptian female national intellectual all of whom play crucial roles in the journeys of the respective male protagonists and by extension the Egyptian national project

Technology, Design and the Arts - Opportunities and Challenges Rae Earnshaw, Susan Liggett, Peter Excell, Daniel Thalmann, 2020-06-22 This open access book details the relationship between the artist and their created works using tools such as information technology computer environments and interactive devices for a range of information sources and application domains This has produced new kinds of created works which can be viewed explored and interacted with either as an installation or via a virtual environment such as the Internet These processes generate new dimensions of understanding and experience for both the

artist and the public's relationships with the works that are produced. This has raised a variety of interdisciplinary opportunities and issues and these are examined. The symbiotic relationship between artistic works and the cultural context in which they are produced is reviewed. Technology can provide continuity by making traditional methods and techniques more efficient and effective. It can also provide discontinuity by opening up new perspectives and paradigms. This can generate new ideas and produce a greater understanding of artistic processes and how they are implemented in practice. Tools have been used from the earliest times to create and modify artistic works. For example, naturally occurring pigments have been used for cave paintings. What has been created provides insight into the cultural context and social environment at the time of creation. There is an interplay between the goal of the creator, the selection and use of appropriate tools and the materials and representations chosen. Technology, Design and the Arts Opportunities and Challenges is relevant for artists and technologists and those engaged in interdisciplinary research and development at the boundaries between these disciplines.

The Prince and the Pauper Mark Twain, 1881-12-12 What am I writing? A historical tale of 300 years ago simply for the love of it. Mark Twain's tale became his first historical novel. *The Prince and the Pauper* published in 1881. Intricately plotted, it was intended to have the feel of history even though it was only the stuff of legend. In sixteenth-century England, young Prince Edward, son of Henry VIII, and Tom Canty, a pauper boy who looks exactly like him, are suddenly forced to change places. The prince endures rags and hardships while the pauper suffers the horrible miseries of princedom. Mark Twain called his book a tale for young people of all ages and it has become a classic of American literature. The first edition in 1881 was fully illustrated by Frank Merrill, John Harley, and L. S. Ipsen. The boys in these illustrations, Mark Twain said, look and dress exactly as I used to see them cast in my mind. It is a vast pleasure to see them cast in the flesh, so to speak. This Mark Twain Library edition exactly reproduces the text of the California scholarly edition, including all of the 192 illustrations that so pleased the author.

The Thirty-nine Articles of the Church of England Edgar Charles Sumner Gibson, 1906 **An Annotated Catalogue of the Edward C. Atwater Collection of American Popular Medicine and Health Reform: A-L** Christopher Hoolihan, 2001 This is a catalogue of the Edward C. Atwater Collection of rare books dealing with popular medicine in early America, which is housed at the University of Rochester Medical School library. The books described in the catalogue were written by physicians and other professionals to provide information for the non-medical audience. The books taught human anatomy, hygiene, temperance, and diet; how to maintain health and how to cope with illness, especially when no professional help was available. The books promoted a healthy lifestyle for the readers, giving guidance on everything from physical fitness and recreation to the special health needs of women. The collection consists of works dealing with reproduction, from birth control to delivering and caring for a baby; venereal disease; home nursing; epidemics; and the need for public sex education. These books, covering areas largely ignored by the medical profession, made important contributions to the health of the American public, and the collection is a vital piece of medical history. The collector is Edward C. Atwater.

Professor Emeritus of Medicine and the History of Medicine at the University of Rochester Medical School Christopher Hoolihan is History of Medicine Librarian at the University of Rochester Medical School s Edward G Miner Library

Operas in English: A Dictionary Margaret Ross Griffel,2012-12-21 In this revised and expanded edition of Operas in English A Dictionary Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos Since the book s initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer s name librettist s name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non English ones other operas if any involving the same story or characters cross references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings Operas in English features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures **The American and English**

Annotated Cases ,1913 *The Debates of the House of Clerical and Lay Delegates in the General Convention of the Protestant Episcopal Church, United States of America* Episcopal Church. The Creeds of Christendom Philip Schaff, 2023-11-19 In The Creeds of Christendom Philip Schaff presents a meticulous examination of the historical development, theological significance, and divergent interpretations of the principal creeds of Christianity. Structured into three comprehensive sections, the book delves into the Apostles' Creed, the Nicene Creed, and the Athanasian Creed, among others, while articulating the contexts that birthed these foundational texts. Schaff's scholarly style is marked by clarity and depth, which reveals his profound understanding of the interplay between theological doctrines and ecclesiastical history, making this work an essential reference for both theologians and historians alike. Philip Schaff, a prominent 19th-century theologian and church historian, was instrumental in shaping modern Protestant thought. His works often reflect the tensions and synergies between differing religious traditions, spurred by his own experiences as a Swiss emigrant in America. Schaff's deep commitment to ecumenical dialogue and understanding is evident in The Creeds of Christendom as he endeavors to foster unity amidst diversity within the Christian faith. This book is highly recommended for students of theology, historians, and lay readers seeking to deepen

their understanding of Christian doctrine Schaff's authoritative analysis not only elucidates the creeds but also invites readers on a journey through the rich tapestry of Christian faith fostering a greater appreciation for its historical and contemporary relevance Architects' and Builders' Magazine ,1903 **The Secret Agent** Joseph Conrad,1990-05-25 The Secret Agent 1907 is a compelling tale of espionage and terrorism set in Edwardian London Ironically subtitled A Simple Tale it paints a terrifying portrait of revolutionaries and anarchists whose personal lives are as barren and futile as their public acts of violence It concludes with the unwitting accomplice of a would be terrorist blowing himself to bits with his own bomb the terrorist's subsequent murder by his own wife and the wife's own suicide This new edition is based on a painstaking comparison of the original manuscript of the work with its first truncated appearance in the American magazine Ridgeway's A Militant Weekly for God and Country and with all subsequent book form publications overseen by Conrad himself The result is a new text purged of the printers errors and editorial interventions that have been reproduced in all previous printings There is also a critical introduction an essay on the text a textual apparatus and helpful explanatory notes
