Paris, Nov. 14. Monsieur de Turenne is not yet returned, but expected here every day. Most of the Gentry of Niverne and Auxerre are said to have withdrawn themselves, and got into a place of strength, one Mon-

seigneur Canillac having been put to death by the missionaries of the Grande Tour: It seems that there are some new Taxes or Impositions on those parts, which are Troops marching against them; and it is thought they will soon be reduced. My Lord Abbigy Lord Ardenne, her Majesty, having layen sick some time here of an Hydroptic attended with a Flux, is this week dead.

Paris, Novemb: 18. The *Marschal de Tournay* arrived here on Sunday last from the Frontiers, whence he brings account that the Success intended against the Prince of Mans had passed in small parties, and that they had been received at Maestricht by Monsieur Bevering in the name of the Series General.

Garnay, Octob. 30. Yesterday came into our Road the *Reiny Prisoner*. Captain Trifford, Commandery, who brought in a Prize Captain John Giffen of *Fishing*, being a Privateer of 7 Guns, and 45 Men.

Charlton, Nov. 4. Captain *Ellis* Commander of the *Swift* has taken 2 Busses, two of which out of 70 at the *Dagger*, under the Protection of four of their Men of War. In his passage home, it is said, he saw several tops of Ships, Masts, &c. which seemed to be the effects of some Wreck, which God be thanked we do not hear to have been any of the *English Ships*.

Oxon, Nov. 12. Not knowing what account the Publick has hitherto received of the Progress of the Prince of *Mans*'s Armies we have thought it not improper without further repetition, to give an account of such places as he at present stands posselt of in the Enemy's Countrey viz. The Castle and Territory of *Boers*, (being of right his own, and for many years unjustly detained from him) the Castle of *Lichtenau* de and the Towns of *Leoben*, *Dorich*, *Dispenburg*, *Garr*, *Essefeld*, *Oldenst*, *Oldenstern*, *Hardenburg*, *Garmen*, *Vendensberg*, *Keppel*, *Almsted*, *Hengel*, *Graveling*, and *Verwarden*, and now more lately *Wincoburg* with the Fort of *Waggen* near, the Castle of *Wader*, and the Cloyster of *Appt*, out of which a party of his had some time before been forced by the *Hollanders*. And it is confirmed to us by several good hands from *Brussle*, that he has taken the strong Fort of *San tain*, and *Krid*, a Sea-port situate near *Drawwe* and *Dulps* ill, in diverse of which places His Highness has left very considerable Garrisons, besides his Field-Army, which consists of 18000 Foot, and 6000 Horse effect.

Dantz, Nov. 8. The wind, since my last continues very high, but I hear of no harm done yet. The *Phoenix* has brought in a Prize here.

Norwich, Nov. 8. I lately received from a good hand in *Rachel* dated Oct 28, a short account of the taking the Island St. *Nitche*, which for the manner of the attempt, may not be unworthy the communication; it was brought by a French *Inde* ship, which came from St. Christopher about 3 leagues from it, and runs thus. That on the 12 of *Aug*. about 300 of the Forces belonging to *Islands* went thither with a resolution of an attack. There is but one landing place in the whole Island, and that of such a difficult access, that but 2 at most can go abreast, up an ascent to an eminent place, in the top of which was a strong Post, which on this occasion had been well furnished with powder & Guns left by the *Ruyter*, and man'd with 450 soldiers, who were nevertheless so surpris'd at the boldness of the Undertaking, that they delivered themselves up with very little resistance.

Plymouth, Nov. 4. The Weather of late hath been very
