BIOGRAPHY

My name is Evan Cary. I was raised in a small rural town in New Hampshire that is part of what's known as the Upper Valley, a cluster of small towns and villages in both New Hampshire and Vermont that are divided by the Connecticut River. The city of Lebanon, like many small New England towns included in the "UV", contains a rich history deriving from its early colonial settlement and the presence of Dartmouth College. I spent 19 years there before leaving to attend Antioch College in Yellow Springs, Ohio.

My relationship with the guitar began in high school at the suggestion of my high school guidance counselor. I was lacking enough credits to graduate, and was feeling disillusioned with high school, my classes and American culture in general. In addition to the guitar class at school, I began studying with Classical guitarist Ed Eastridge. From the beginning, the guitar captivated and challenged me. In spite of my passion for the instrument, I attended Antioch College as a Creative Writing major minoring in Musical Composition, but found myself spending all my time when I wasn't in class playing the guitar. In 2005, a college friend invited me to come to visit Madrid Spain where I experienced Flamenco for the first time. I had never seen or heard the guitar played that way and I returned from the trip a changed man. I tried to teach myself how to play Flamenco guitar by studying YouTube videos and with other instructions I found online but came to the conclusion that if I wanted to gain any real skill I would need to go to the source. I left Antioch in my Sophomore year, moving to Madrid Spain in 2006 and my Flamenco guitar studies began when I started studying with world-renowned Flamenco guitar teacher Aquilino 'El Entri' Jimenez. From 2006 to 2009 I studied under El Entri at the *Amor de Dios* Flamenco academy, learning to accompany Flamenco song and dance as well as perform solo pieces for the guitar. I admired the work ethics of great guitarists like Paco de Lucia and would often practice six to ten hours a day trying to 'catch up'. When El Entri established his own Flamenco school, the *Cañorroto Academia* in the famed 'Cañorroto' neighborhood, I moved with him and continued to learn side by side with other up and coming Flamenco artists such as Joni Jimenez and El Kilino. In 2010 and 2011, I returned to New England to perform two summer concert tours, playing traditional Flamenco pieces along with my own original compositions.

Many of my fellow Flamenco students have gone on to have successful Flamenco guitar careers but after only studying for a couple of years I found myself becoming disillusioned with

A History of the Irish Short Story Heather Ingman, 2009-05-14 Though the short story is often regarded as central to the Irish canon, this text was the first comprehensive study of the genre for many years. Heather Ingman traces the development of the modern short story in Ireland from its beginnings in the nineteenth century to the present day. Her study analyses the material circumstances surrounding publication, examining the role of magazines and editors in shaping the form. Ingman incorporates recent critical thinking on the short story, traces international connections, and gives a central part to Irish women's short stories. Each chapter concludes with a detailed analysis of key stories from the period discussed, featuring Joyce, Edna O'Brien, and John McGahern, among others. With its comprehensive bibliography and biographies of authors, this volume will be a key work of reference for scholars and students both of Irish fiction and of the modern short story as a genre.

Spiritual Wounds Síobhra Aiken, 2022-03-01 This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922 1923 was followed by a traumatic silence It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s testimonies were written by pro and anti treaty men and women in both English and Irish Nearly all have eluded

sustained scholarly attention to date However the act of smuggling private painful experience into the public realm especially when it challenged official memory making or even forgetting demanded the cautious deployment of self protective narrative strategies As a result many testimonies from the Irish Civil War emerge in non conventional hybridised and fictionalised forms of life writing This book re introduces a number of these testimonies into public debate It considers contemporary understandings of mental illness and how a number of veterans both men and women self consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war It also outlines the prevalence of literary representations of revolutionary sexual violence challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden
