For Katharine Whitney Curtis it took the right idea great talent some good timing and the determination to make it happen The originator of synchronized swimming as we know it today she even wrote the first book on the subject in 1936 But there was much more to her life and career After the start of World War II Curtis became a recreational director in the American Red Cross and followed the troops wherever the course of war took them serving under Generals Patton and Eisenhower before becoming a director of travel for the U S Army in Europe during the Cold War Unbound by fear or the narrow expectations of society this was a woman who lived ahead of her time making things happen along the way As her first biography this book generously features Curtis s own words selected from more than 2 000 pages of letters and contextualized by her surviving friends and family members

Mencken Marion Elizabeth Rodgers,2007 Here is the definitive biography of Mencken the most illuminating book ever published about this giant of American letters We see the prominent role he played in the Scopes Monkey Trial his long crusade against Prohibition his fierce battles against press censorship and his constant exposure of pious frauds and empty uplift The champion of our tongue in The American Language Mencken also played a pivotal role in defining the shape of American letters through The Smart Set and The American Mercury magazines that introduced such writers as James Joyce F Scott Fitzgerald and Langston Hughes
