**The Book of Angels** Kaya and Christiane Muller, 2015-09-01 When your spirit seeks the meaning of its existence, its loves and its work. When you see behind the images and you hear beyond the words. When you feel vulnerable and your feelings are beyond your power to control. When your body hurts and you don't know why. When you ask yourself Why live if I have to die. When faced with the social inequalities and misery of this world, you wonder if God really exists. You are ready for initiation. You are ready to receive the Knowledge Through The Traditional Study of Angels, rediscover and develop the Angelic States of Consciousness that represent the essence of the Divine qualities and virtues. By reactivating these powerful Angelic Energies in your thoughts, feelings and actions, you will awaken a new way of understanding dreams, signs and synchronicity. Reading the real life experiences told in this book, discover that the greatest teaching is that which is received through personal experience. Become aware that every event, meeting and word contributes to our evolution. In simple language, Kaya and Christiane Muller share with us the wealth of this teaching and its application to daily life. They share their own experience and that of individuals who practice this ancient path of Knowledge. To meditate with the Angels is to experience spiritual autonomy.

**Love Letters from the Angels** Laurie Hazel, 2020-06-09 Love Letters From The Angels is a collection of angelic letters and messages intuitively received by the author, Laurie Hazel. These letters are based on themes that are universal to people everywhere. Each theme contains an angelic letter, author's experiences, action steps, affirmations, prayers and journal pages for the reader to learn, experience and internalize the loving Divine guidance into their daily lives.

**Pray and Celebrate - CTL - 2009**, *From Angels to Aliens* Lynn Schofield Clark, 2005-10-27 Harry Potter, Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers' longstanding fascination with the supernatural and the paranormal. In this

groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices From Angels to Aliens paints a surprising and perhaps alarming portrait of the spiritual state of America s youth      **Nobody's Angels** Elizabeth Langland,1995 Langland argues that the middle class wife had a more complex and important function than has previously been recognized she mastered skills that enabled her to support a rigid class system while unknowingly setting the stage for a feminist revolution
