Conflict and Agreement in the Church, Volume 1 Jean Rilliet, 2023-11-30 T F Torrance s *Conflict and Agreement in the Church* gathers together his most influential essays and articles on topics relating to ecumenism Himself involved heavily in the ecumenical movement he wrote that ours must be the task of learning together again how to confess like the early Church faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth and therefore in the overflowing love of God Out of this conviction grew a comprehensive doctrine of the Church in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men In the first volume Torrance presents a set of essays engaging theologically with different denominations along with responses to particular problems facing the ecumenical project In particular writing after the third world conference on faith and order he addresses the hopes and barriers it raised to closer ecumenical relations Throughout Torrance s acute awareness of contrasting theological principles establishes a firm basis for further progress without obscuring the doctrinal and ecclesiological differences that remain In the second volume Torrance s thought on inter denominational cooperation in light of the Church s mission is presented He begins by suggesting that the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions This opens the door for greater union between those communion but also exposes

significant challenges to unity within them Addressing the major debates on the sacraments of baptism and the Eucharist along with the priesthood and biblical exegesis Torrance proposes a constructive way forward sealed by reconciliation in the Body and Blood of Christ **Conflict and Agreement in the Church, Volume 1** T.F. Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress

in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides The Unitarian & universalist missionary. Ed. by H. Williamson. Vol.1; new Henry Williamson (of Dundee),1872 The End Times Controversy Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **René Girard and the Western Philosophical Tradition, volume 1** Andreas Wilmes,George A. Dunn,2024-07-01 This edited volume situates Ren Girard in relation to the Western philosophical tradition Each chapter engages the French anthropologist in dialogue with a key figure from the history of Western philosophy from Plato to Kierkegaard The pivotal question of Ren Girard and the Western Philosophical Tradition revolves around Girard's assertion Since the attempt to understand religion on the basis of philosophy has failed we ought to try the reverse method and read philosophy in the light of religion Major philosophers influenced Girard and contributed valuable insights into questions of desire religion violence and the sacred At the same time he felt that Western philosophy often if not always neglected the founding violence that lies at the origin of culture This is the first collective scholarly effort at situating Ren Girard in relation to the Western philosophical tradition Volume 1 features chapters on Plato Augustine of Hippo Niccol Machiavelli Thomas Hobbes Blaise Pascal Baruch Spinoza Jean Jacques Rousseau Adam Smith Immanuel Kant Georg Wilhelm Friedrich Hegel Friedrich Wilhelm Joseph Schelling Alexis de Tocqueville S ren Kierkegaard and Ren Girard *George W.E. Nickelsburg in Perspective, vol. 1* Jacob Neusner,Alan Avery-Peck,2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments

Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870
