fur He s chewed things I didn t even know could be chewed barked at objects I couldn t see and made it his personal mission to test my patience daily But for all the times he s driven me to question every decision I ve ever made he s also melted my heart in ways I didn t know were possible He s goofy loyal and completely clueless about how much trouble he causes which somehow makes him even more lovable It didn t take long for me to decide that Ivan was never ever going back to the mess he came from No matter how many challenges or shoes he throws my way this chaotic lovable disaster is staying right here with me Because Ivan isn t just a dog he s family And sure he s the kind of family who makes you want to scream into a pillow sometimes but at the end of the day he s my pillow shredding chaos bringing absolute best boy *Notch on his Bedpost* Brill Harper,2016-04-16 He said she said in the age of the internet My job as a dating guru for men has earned me the nickname of Mr Virile and I have no plans on giving up my reign as bachelor I have a reputation to uphold especially with the release of my book coming up Men count on me and my YouTube channel and website to help them find the alpha male inside But a publicity stunt goes wrong and now I have to pretend to date Holly the girl next door blogger who hates my website and doles out the opposite advice to her many feminist subscribers She says I m exactly the kind of guy she cautions her readers and podcast listeners away from and she s right She says I ll never get her into my bed I say she won t regret it when I m there As long as we both remember this is all for fun nobody will get hurt I don t have a heart so I m in no danger of losing it to her right Author confession I wanted to put this book in the Blue Collar Bad Boy series because Dane is such a bad bad boy But he s not blue collar he likes his expensive suits and his urban reputation Or does he If you like opposites attract and enemies to lovers and watching the big Alpha fall head over heels in love step on in Oh and there s a big dopey dog and lots of he said she said Has the girl next door tamed the most virile man alive or is she just another notch on the bedpost
