In the Midst of It All, I Still Have the Victory Dorothy Dickerson,2022-11-03 The author Dorothy Dickerson invites her readers to come along with her as she embarks on journeys that even she didn t know were going to take some surprising and shocking turns for the worst as she travelled along the way The journeys traveled by the author started out as being fun and exciting but then she found herself traveling down dark and dreary pathways Sometimes it seems like it

was to the point of no return and there was no way out Abuse in forms of economic physical sexual social and emotional was all experienced during the author's path Have you ever stared death in the face and had no time to run or walk away from it Well the author has been there Oh but by the grace and mercy of God she survived The grace of God brought her back Hallelujah The author lived to tell her story and she wanted everyone who feel hopeless in their situation to know that there is hope Prayer works and God does answer prayer There is no fun in being scorned abused neglected and abandoned The author has experienced it all by the very persons who she thought who loved her the most Due to the author's experiences she developed hatred in her heart to the point where she contemplated on hiring someone to commit a crime for her The pressure of life had gotten so hard until the author had suicidal thoughts of self harming and of killing herself When the pressure of life seems to weigh you down just look unto God who undoubtedly will bring you out Please know there is victory in the midst of all your trials and tribulations and you don't have to travel your journey alone There is light at the end of the tunnel There is peace in the valley The author would like to invite you to try Jesus Jesus is the answer to every situation

The Good Soil Allen C. Hughes, 2021-03-19 The good soil of our life is generated through the actions and habits of discipleship Discipleship is the lifelong pursuit of learning to live a life under the guidance and care of God We can live a life where we are guided and led by the perfect Father We can experience the fruits of the good soil a joy that goes beyond our circumstances a peace that satisfies work that is meaningful and a love that abides Unfortunately in our culture the word discipleship has been misunderstood misapplied reduced and in some cases used to manipulate serious men and women who desire to walk faithfully with the living God The result is that many Christians live with an anemic understanding of discipleship which limits their relationship with God confuses their vocation and keeps most Christians frustrated and on the periphery of the full Christian life When discipleship is truly and fully engaged what follows is an abundant life from God full of gifts challenges meaning and direction This is the life I believe all Christians truly desire and I believe this book will help you move in that direction
