2014 International Conference on Advanced Education and Management (ICAEM2014), 2014-02-13 The ICAEM2014 aims to bring together researchers educators and students from around the world in both industry and academia for sharing the state of art research results and applications for exploring new areas of research and development and for discussing emerging issues on education and management fields We received a total of 312 submissions from various parts of the world The Technical Program Committee worked very hard to have all papers reviewed before the review deadline The final technical program consists of 92 papers There are one keynote speech and 2 invited sessions The proceedings were published by DEStech Publications Inc and will submitted to Ei Compendex databases for indexing We would like to mention that due to the limitation of the conference venue capacity we are not able to include many fine papers in the technical program Our apology goes to those authors *ICICKM2014-Proceedings of the 11th International Conference on Intellectual Capital, Knowledge Management and Organisational Learning* Jim Rooney, 2014-10-17 These proceedings represent the work of researchers participating in the 11th International Conference on Intellectual Capital Knowledge Management Organisational Learning ICICKM 2014 which this year is being held at The University of Sydney Business School The University of Sydney Australia The Conference Co Chairs are Dr John Dumay from Macquarie University Sydney Australia and Dr Gary Oliver from the University of Sydney Australia The conference will be opened with a keynote by Goran Roos Advanced Manufacturing Council Adelaide Australia who will address the topic of Intellectual capital in Australia Economic development in a high cost economy The second day will be opened with a from James Guthrie University of Sydney Australia on the topic of Intellectual Capital and the Public Sector Research Past Present and Future *The 4IR and teacher education in South Africa* Felix Maringe, Otilia Chiramba, 2024-02-26 The 4IR has become an overarching framework within which education systems including teacher education are operating Contingent upon the ideology of neo liberalism the 4IR seeks to transform societies in ways which respond to the relentless developments in technology the Internet and digital capacities which by design and intent are purposed at increasing both productivity and the associated quality while at the same time reducing human intervention in the same processes In teacher education how we teach and train student teachers will be substantially influenced by the imperatives of the 4IR There are multiple unresolved questions as the 4IR takes centre stage For example what will it mean for teaching and learning in schools that have severe technological and digital deficits for teachers and students who have minimal technological literacies for delivering high quality teaching and learning for transforming both the content and pedagogies of teacher education and above all for delivering socially just educational experiences for all our learners regardless of class race and privilege The discourse of the 4IR is contemporary and requires multiple perspectives to explore what it means in different contexts and settings the understandings it engenders in people what it implies across a wide range of educational decision making levels and that its fundamental assumptions cohere with

national and societal assumptions about equality equity and social justice Multiple methodological approaches were utilised in the interrogation of the idea of the 4IR in teacher education in South Africa including theoretical empirical and small scale case studies amongst others The data these approaches provide are equally valued based on the purposes for which they have been derived

Breaking a Rainbow, Building a Nation Rekgotsofetse Chikane,2018-10-01 Breaking a Rainbow Building a Nation is a first hand account of the university protests that gripped South Africa between 2015 and 2017 widely better known as the FeesMustFall Chikane outlines the nature of student politics in the country before during and after the emergence of MustFall politics exploring the political dynamics that informed and drove the student protests and the effect that these MustFall movements have had on the nature of youth politics in the country Chikane looks at how the current nature of youth politics is different from previous youth upheavals that have defined South Africa specifically due to the fact that the protests were being led by so called coconuts who are part of the black elite Breaking a Rainbow Building a Nation poses the provocative question can coconuts be trusted with the revolution
