Coaching for the Love of the Game Jennifer L. Etnier,2020-02-14 More than 45 million children play youth sports in the

United States each year and most are coached by parent volunteers with good intentions but little training. This lack of training and an overemphasis on winning often results in stress and frustration for coaches and players alike which can discourage young athletes so much that they walk away from sports altogether. With this new guide for amateur parent coaches Jennifer Etnier author of *Bring Your A Game* aims to change that. Etnier offers a system of positive coaching that can be applied to any sport from the beginner level to high school athletics and explains that good coaching requires working with young athletes at their developmental level and providing feedback designed to keep children engaged and having fun. Etnier gives easy to understand guidance on important aspects of successful coaching including information on the development of children's motor skills, communication with a young athlete's parents and nurturing a growth oriented mind set making this a critical resource for youth coaches of all experience levels.

The Love We Keep Toni Blake, 2020-01-28 Toni Blake returns with the most emotional tender novel yet in her enchanting Summer Island series. Suzanne Quinlan has been through a lot lately so nothing sounds better than a peaceful winter in her cozy cottage on Summer Island. The last thing she wants is a massive lifestyle adjustment especially when it comes in the form of an injured Zack Sheppard who is sullen, angry and completely dependent on her. Zack values his independence above all else. But when he falls down his icy steps he finds himself with a serious leg injury and in need of round the clock care. The only person available to help is his ex's best friend Suzanne. It doesn't hurt that Suzanne is far more attractive than he ever realized but he's never been one to settle and he sure isn't going to start now. As Suzanne and Zack grow closer they both realize they're in this thing more deeply than they ever thought and it's started to cause tension in their small close knit community too. Will Zack be able to commit this time and will Suzanne be able to trust him? One thing is certain come spring the lives and loves of Summer Island will never be the same.

future for myself When I arrived at College in Marshall Missouri I was scared and uncertain if I would be able to be successful due to my TBI My student loans and grants covered my tuition and room and board but I needed to find a way to make some money I did odd jobs for one of the faculty members and then eventually got a job in the college library College classes were difficult for me and I wanted to give up several times However with hard work determination to succeed and help from the great faculty and staff at Missouri Valley I managed to graduate in 2017 with an Associates of Arts Degree I had always liked writing poetry but it wasn't until one of my English professors told me that she wanted to publish one of my poems in a publication of the College called the Purple Patch that I realized it might be something I did well In 2019 I married the love of my life Isabel We currently live in Louisiana with our dog Coco Labor of Love Moira Weigel,2016-05-17 A brilliant and surprising investigation into why we date the way we do **For the Love of Farming** Farmer Will,2023-10-17 The Steve Irwin of Farm Animals You fell in love with Farmer Will for his hilarious informative and insanely cute TikTok vids How would you like to visit his farm meet his animals and escape to the world of this loveable TikToker and champion of modern farming Farmer Will otherwise known as Will Young is the eccentric lamb tending dancing farmer who's rocked TikTok since exploding onto the Internet in 2020 His first TikTok was a 60 second video of lambing set to a pounding techno track and since then his videos have captured various aspects of farm and family life living in the countryside and mental health all accompanied by a funloving Will and his trademark tunes In For the Love of Farming Will reveals the real inner workings of his farm in the beautiful countryside of Buckinghamshire in the UK season by season In each section Will focuses on his prized possessions his beautiful sheep and lambs which he dutifully belly bumps bags and dags as the seasons require A sixth generation farmer Will describes his life on the farm with his indestructible cheer and charisma It's relentless the mornings are early and sometimes things don't go right but is it fun Of course it's fun In practical illustrated step by steps Will describes the processes of rearing sheep including treating them for lameness hoof trimming and of course lambing which he does with the utmost care and attention With his trusty pet pigs Timon and Pumbaa rolling over just for tickles as Will would say and the spitting alpacas harassing him around the clock this is a heartwarming story of adventure and humour rooted in Will's passion for farming and the welfare of his animals Shakespeare and the Nature of Love Marcus Nordlund,2007 The best conception of love Marcus Nordlund contends and hence the best framework for its literary analysis must be a fusion of evolutionary cultural and historical explanation It is within just such a bio cultural nexus that Nordlund explores Shakespeare's treatment of different forms of love His approach leads to a valuable new perspective on Shakespearean love and more broadly on the interaction between our common humanity and our historical contingency as they are reflected recast transformed or even suppressed in literary works After addressing critical issues about love biology and culture raised by his method Nordlund considers four specific forms of love in seven of Shakespeare's plays Examining the vicissitudes of parental love in Titus Andronicus and Coriolanus he argues that Shakespeare makes a sustained inquiry

into the impact of culture and society upon the natural human affections King Lear offers insight into the conflicted relationship between love and duty In two problem plays about romantic love Troilus and Cressida and All s Well that Ends Well the tension between individual idiosyncrasies and social consensus becomes especially salient And finally in Othello and The Winter s Tale Nordlund asks what Shakespeare can tell us about the dark avatar of jealousy
