Tupperware Alison J. Clarke, 2014-09-30 From Wonder Bowls to Ice Tup molds to Party Susans Tupperware has become an icon of suburban living Tracing the fortunes of Earl Tupper's polyethylene containers from early design to global distribution Alison J Clarke explains how Tupperware tapped into potent commercial and social forces becoming a prevailing symbol of late twentieth century consumer culture Invented by Earl Tupper in the 1940s to promote thrift and cleanliness the pastel plasticwares were touted as essential to a postwar lifestyle that emphasized casual entertaining and celebrated America's material abundance By the mid 1950s the Tupperware party which gathered women in a hostess's home for lively product demonstrations and sales was the foundation of a multimillion dollar business that proved as innovative as the containers themselves Clarke shows how the party plan direct sales system by creating a corporate culture based on women's domestic lives played a greater role than patented seals and streamlined design in the success of Tupperware

Consumption: Disciplinary approaches to consumption Daniel Miller, 2001 Life of the Party Bob Kealing, 2016-07-12 The incredible story of Brownie Wise the Southern single mother and postwar Girlboss who built and lost a Tupperware home party empire Before Mary Kay Martha Stewart and Joy Mangano there was Brownie Wise the charismatic Tupperware executive who converted postwar optimism into a record breaking sales engine powered by American housewives In Life of the Party Bob Kealing offers the definitive portrait of Wise a plucky businesswoman who divorced her alcoholic husband started her own successful business and eventually caught the eye of Tupperware inventor Earl Tupper whose plastic containers were collecting dust on store shelves The Tupperware Party that Wise popularized a master class in the soft sell drove Tupperware's sales to soaring heights It also gave minimally educated and economically invisible postwar women including some African American women an acceptable outlet for making their own money for their families and for being rewarded for their efforts With the people skills of Dale Carnegie the looks of Doris Day and the magnetism of Eva Peron Wise was as popular among her many devoted followers as she was among the press and she became the first woman to appear on the cover of *BusinessWeek* in 1954 Then at the height of her success Wise's ascent ended as quickly as it began Earl Tupper fired her under mysterious circumstances wrote her out of Tupperware's success story and left her with a pittance He walked away with a fortune and she disappeared until now Originally published as Tupperware Unsealed by the University Press of Florida in 2008 and optioned by Sony Pictures with Sandra Bullock attached to star this revised and updated edition is perfectly timed to take advantage of renewed interest in this long overlooked American business icon

Tupperware, Unsealed Bob Kealing, 2008 Brownie Wise's rise and fall and her relationship with the eccentric Earl Tupper is the stuff of legend a story told finally and fully in Tupperware Unsealed from publisher description **The White Dress** Nathalie Léger, 2020-09-15 The third in Nathalie Léger's acclaimed genre defying triptych of books about the struggles and obsessions of women artists The White Dress is the third in Nathalie Léger's award winning triptych of books about women

who through their oeuvre transform their lives into a mystery ELLE In Exposition Le ger wrote about the Countess of Castiglione the most photographed woman of the nineteenth century in Suite for Barbara Loden she took up the actress and filmmaker Barbara Loden here Le ger grapples with the tragic 2008 death of Italian performance artist Pippa Bacca who was raped and murdered while hiking from Italy to the Middle East in a wedding dress to promote world peace A harrowing meditation on the risks women encounter in life and in art The White Dress also brings to a haunting conclusion Le ger s personal interrogation sustained across all three books of her relationship with her mother and the desire for justice in our lives
