1,001 Best Grilling Recipes Rick Browne, 2016-05-10 The definitive cookbook on grilling everything from appetizers to desserts from one of the country's foremost experts and host of PBS's *Barbecue America*. Rick Browne is the author of twelve cookbooks, most of which deal with barbecue and grilling. In this volume, he's created an encyclopedic collection of recipes drawn from cuisines around the world, with a particular focus on North American and Asian traditions. Browne begins with a brief primer on basic grilling techniques, but the real substance of this book is the dazzling array of recipes. You'll find dishes everyone can enjoy, including standard grill fare like beef and chicken, as well as the more unusual shellfish and wild game. There are plenty of vegetarian options, too, and a section for sauces, marinades, and rubs. Never before have this many great grilling recipes been collected into one tome. If you love to grill or know someone else who does, this is a must-have resource. It's the only grilling recipe book you'll ever need. I play around with my grills all the time, but I found loads of new ideas in this grill cookbook. Rockport Lobster and Shrimp Burgers, yum! This cookbook offers many ways to branch out and step it up once the basics are mastered. Barbecue Master! This is one amazing cookbook. I can see myself using this on a weekly basis to try new grilling recipes from around the world. BBQ Sauce Reviews
